**SUNDAY LEAVE PASS 2007**

**30**

## Amstel Results

This month was a very disappointing turn out. With only 15 confirmed players originally and then 4x last minute cancellations meant that we only had 11 players take to the course. The only one good thing about the poor numbers was that it guaranteed a top 10 finish for all but one player. Although it seemed as though everyone tried his darndest to be that one player who missed out.

The scorecards were anything but spectacular, considering how nice the condition of the golf course was and only one player scored remotely close to his handicap (and Gerard we hate you for that.)

I know we have said it over and over again but it is important that everyone understands that we are charged for the round even if you don't play, unfortunately the late withdraws still need to pay for the game as we are not able to get a refund for cancelled bookings. Thanks to the guys who did pull out, at least they did give us the courtesy of a phone call to let us know.

It was interesting to hear that Roger Powne was not allowed to play this month because his Leave Pass was revoked due to bad behavior. It appears that our so-called mature and sensible representative chucked a huge hissy fit and spat the dummy recently while playing in a friendly competition at the Alexandra golf course. Apparently he threw a tantrum after missing a couple of easy putts during a teams event, our sources revealed that not only did he use every four letter word under the sun but he also picked up his ball and threw it at the hole which lead to him being instantly disqualified from the competition. What makes the whole thing even worse was that had it not been for his disqualification he and Steve would have finished up in third place. We can only hope that Roger behaves himself next time he comes and plays with us.

For those players that made it to Amstel the golf was a bit like a demolition derby, there was carnage on almost every part of the course. The only parson who got through unscathed was Gerard who finally cracked it for a first place finish. A very respectable 86 off the stick Nett 72 was enough to secure the 10 points by a whopping 7 strokes. There was no need for a count back this month. Gerard's round improved as the day went on; he also managed to win 2 nearest to pins, longest drive and 9 skins on his trip around the course.

Gerard's nearest rival was Fitzy with a Nett 79 and the only other player who scored less than 100 was Darren Higgs who came in third place with a 97. The scores after then got pretty ugly, lost balls, multiple shots in the bunkers, three and four putt greens and drives failing to get past the ladies markers were the order of the day. The beer wench award went to Phil Plane who made sure he got his monies worth. At \$35 for the round Phil managed to make each shot worth 23 cents, which is pretty good value for money.

After talking it up all month, Jamie has already lost his spot at the top of the leader board. Darren Higgs has moved into number one position. He could be a real chance to go all the way this year, but it depends on the next couple of months, Darren usually misses a few rounds when the weather gets a little colder.

It wasn't just the championship lead that Jamie lost. He also lost his cool when he failed to find his ball on the 15<sup>th</sup> hole. A 12x man search party was unable to locate the Strata 4 golf ball that Jamie claims was his best drive for the day. If anyone has seen the ball a \$100 reward is on offer. The ball was last seen rolling down the middle of the 15<sup>th</sup> fairway.

After hearing the story how Burnsie nearly killed a spectator last year Greg Breasley tried to go one better, he shanked a ball out of the bunker into Stu Coops. Lucky for Stu it only hit him in the ever-expanding waistline and no serious injury occurred.

Overall it was a very fun day, the weather was great, the course was in reasonable condition considering the drought, the company was pleasant and the golf was atrocious.

Congratulations to Greg & Phil who this month got their official club handicaps, going on this months result Phil you might need every last one of those shots too.

It is essential that you confirm your attendance as early as possible and pay your fees before the day of the round. A confirmation booking will not be reserved for you until you have paid for the game in advance.

Please confirm your attendance by replying to this email using the hyperlinks provided.

It appears as though we will have a full field for most of the courses this year, so it is vital that you let us know as early as possible if you will or won't be playing, if we have more than 24 players then there is no guarantee that the course will be able to accommodate the extras. Bookings will have to be done on a first in first served basis, it is best to be listed as a permanent "yes player" by confirming that you are a definite starter unless you advise us otherwise and by paying your fees using the EFT facilities available.

With Tony and Dale out for the next 3 months due to their Footy commitments a little of the pressure on the large numbers of players will be eased until about September.

Next month we are playing at **Centenary Park at 11-00am on 27th May.**

Please aim to be there at the course at least 15 minutes before hit off this will allow us time to get everybody organized and to workout the groups for the day. For information on how to get to the course you can log onto their website.

### [Centenary Park Golf Course](#)

Please note that next month the golf club will be hosting a BBQ for us after the round, so plan to stay around after the game for a bite to eat and a bit of a yarn.

**Please Note: We will not have be having drinks in the car park, but instead we will be going into the Club House Bar for beers so please comply with dress regulations, collared shirt and pants not Tracksuit pants.**

If you haven't already, please make the effort to organize to pay in advance for each round. You can do an EFT direct transfer into Jamie's bank account. To get the details please send him an email using the link below and he will give you all of the banking details. Please make sure that you make a notation when you make the deposit identifying who paid the money into the account and for which month.

Please make sure that you let us know if you are a last minute cancellation or running late. If you don't turn up and we are expecting you then it will affect the groupings for the day. Please call Jamie or Stu Coops or anybody else from the club to get us a message to us as early as you can.

Please remember that if you are a confirmed booking and you don't turn up then you are still charged the cost for the round or responsible for finding a substitute player to replace you.

Look forward to seeing a better turn out next month. Word is that Centenary Park will probably be one of the best courses we have played on. Very Nice course according to Jamie and Graeme so book early and don't forget that the course will be putting on a BBQ after the game, so try not to have to rush off home straight away.
