**\$2-00** Maximum pay out is **\$10-00**.

**PLEASE NOTE:** Fine jar balance has not been updated Highway has taken off with the Money and I am not driving down to Morack to collect it. He will have to come home eventually.

Just a reminder that we are enforcing a late payment of golf fees fine. The payment for each month is due no later than the Thursday the week final numbers are due.

There were a few guys upset about being charged the extra \$5 for late payment but there is no excuse for late payment since everyone receives at least a minimum of two reminder emails and a text message prior to the due date. Players who fail to meet the deadline are charged a late payment levy of **\$5-00** on top of the original golf fee's. Anyone who finds it too difficult to make the EFT transfer on time is welcome to make a larger transfer and keep some money in credit for when they fail to make the payments on time.

## **GOLF TRIP 2015**

Please Note: We have booked the golf trip this year and we will be returning to Echuca, Rich River Golf course. The date of the golf trip will be **Friday 4<sup>th</sup> to Sunday 6<sup>th</sup> DECEMBER 2015**. The Cost is approximately **\$330.00**. We have booked for 27 players (3 people per room) so please book it into your calendar and let me know if you are a definite attendee by Email [stundaydream@gmail.com](mailto:stundaydream@gmail.com) or the links here. [YES I want to take part in the golf trip this year](#) [No I will not be going to Rich River](#)

Potentially we may reach maximum numbers for the golf trip this year. If you are a definite starter let me know ASAP as bed allocations are done as first come first served and if we can't book any extra rooms it is just too bad for those who will miss out.

## June

Normally when you score a nine on the first hole of the day, it is a sign of bad things to come and you most certainly do not arrive back at the car park with the expectation to have a win. However according to Rick that is just the way the dice rolled. Rick had already declared himself the winner even before the last two groups had finally dragged themselves to the bar. He had made a friendly notation with his personal affirmation on his scorecard and he was already talking up the incentive reward bonus that he may be up for from the home-front when he brings him the monthly title trophy.

According to Rick his victory may be almost enough aphrodisiac to give the missus a hormonal melt-down, and according to him, being in the presence of greatness may rekindle some old courting experiences. If that is the case everyone should be warned that depending on how powerful the trophy is as an aphrodisiac , when we play at Morack Golf Course next month there might be the possibility that one or more of the greens and tees may have joined the 18<sup>th</sup> green as christened recently and the sacred soils of Morack may once again be adulterated by the Turcinovics during the long drive down Terrara Road.

It was the greatest day in Ricks life (well perhaps second after that fateful night at Morack Golf Course a few years ago). Rick had a career best round with the putter, he only used the flat stick 30 times, as opposed to his long term average of 38.59 putts per round. Rick only had 13 putts on the back nine include a chip in for a zero putt green on the 13<sup>th</sup> hole and most importantly for the first time since it was introduced at the start this year, he actually finished the day without wearing the yellow 3 putt monkey vest off the 18<sup>th</sup> green. Rick had the enjoyment of watching Big Mick carry the vest for the last 13 holes and to cap the day off he was also partnered with Dale who spent the entire 18 holes adorning the blessed Beer Wench pink vest. Rick's golf featured a couple of pars and his score of 103 despite a couple of 9's on the more difficult par 5 holes was good enough to see him into first position for just the second time in his 63 round Sunday Leave pass history. When he was asked what he thought was the highlight of the his round he said unreservedly it was watching big Mick have an air-swing (Mick still claims it was a practice stroke).

There was much interest in whether Dale would follow in Andrew Pugh's footsteps and be the back to back beer wench, however this wasn't to be the case and the answer to who was likely to be the new Beer wench title holder became pretty much, apparent by the end of the first hole. Greg Breasley walked off the Par 5 first hole with a seventeen (17) marked on his scorecard. Poor Greg had a day best forgotten, he got stuck in the greenside bunker on the first hole and it took 8 shots to get out of the sand trap. We haven't had a score that high (17) since Highway played in his first ever Sunday Leave Pass event at Kingston Links. The only saving grace for Big Ball Breasley was that his 17 was on a par 5 and it included a 3 putt green, whereas Highway scored his 17 on a short par 3 green and he actually had a one put after his sixteenth stroke wrapped itself around the flag and dropped only two inches from the cup. These scores still aren't the worst ever, that title still lives with Jamie Brunton who posted a nineteen (19)

The only highlight for Big Ball Breasley was the fact that he had two chip ins on the front nine which protected his putting score making it less obvious that he had also had a 5 putt on the 4<sup>th</sup> hole and then another 4 putt on the 11<sup>th</sup>.

Not surprisingly Greg ended the day with the three putt monkey vest on his back and his score of 125 Nett 93 was 3 shots worse than his nearest rival, Tony MacIsaac who has vowed to give the game away if he ever plays as badly as he did at Beacon Hills again.

The first hole also brought Tony MacIsaac to his knees. After playing what appeared to be a very good shot onto the front of the section of the green, Tony was shattered when more than 50 seconds after his ball came to rest it suddenly decided to roll back off the green and into what is now called Big Ball Breasleys Bunker. Unfortunately what would have otherwise been a Par putt suddenly transformed into a barrage of profanities and Tony's score slipped back out to an 8 with a one putt.

Interestingly Leigh MacIsaac suffered the same fate and his ball also came to rest on the green and then some time later suddenly started to roll backwards and disappeared off the front of the green. It was quickly determined that the first hole was either haunted or there was a smart arse ant rolling around the green in hysterics of laughter as it repeatedly pushed players golf balls back off the front of the green.

The wildlife at Beacon Hills appeared to have a personal agenda to make a golfers life miserable. With the ants pushing balls off the greens, the Kookaburra's laughing on cue after an air-swing, Andrew Clarke still alleges that a kangaroo actually stole his golf ball and put it in its pouch and hopped off (Andrew therefore claimed he shouldn't have to take a penalty stroke) and then there was that innocent looking dog on the 17<sup>th</sup> hole which took animal intelligence to a whole new level.

They say "you can't teach an old dog new tricks," but from our experience on Sunday it became evident that "a young dog can certainly play an old joke." The 17<sup>th</sup> hole at Beacon Hills was a short par 4 which ran beside some of the most attractive blue chip properties in Beacon Hills. In the back yard of one of the houses was an adorable little black & white kelpie dog who innocently paced along the perimeter fence watching the activity come and go on the 17<sup>th</sup> tee. The dog showed no aggression towards or took no interest in the golfers at all, but rather he watched on with doleful eyes until just as a golfer was entering the downward pivot of their back swing he would suddenly jump into action.

As each golfer went to take a stroke at the ball the kelpie would suddenly bark at the top of his voice and then turn back towards the house as if nothing at happened. Initially it was thought the perfect timing of the kelpies bark must have been a coincidence but after 18 consecutive coincidence's it was decided that the mutt knew exactly what it was doing and it was evident the dog was having a jolly well good time putting people off at the crucial moment.

It would have been easy to blame the dog for many of the bad shots that were played over the duration of the day. Mick blamed his air-swing on the dog (even though it occurred on a different hole) Highway and Greg Parsons both claimed that the dog caused them to duff their tee shots on the 12<sup>th</sup> hole when they hit the ball into the water and failed to get passed the ladies markers. The kelpies rap sheet also included 3 other airs-wings, a double hit, two four putts and a shank.

Andrew Pugh has an interesting way of keeping his putting count down, it was discovered that Andrew actually carries two different putters in his golf bag so once he had had two putts with one of them he then switches to the other one hence forging the argument that he didn't have three putts on the green with the same putter and therefore he was not eligible to wear the three putt monkey vest.

On the 5<sup>th</sup> hole the three putt monkey vest did a complete rotation of the one group. Stu Coops wore it on to the green after three putting the third hole, Greg Parsons, played first and three putted but Greg only managed to get one arm into the vest before Peter Hutson followed suit with a 3 putt. However Peter also was only required to wear the bright yellow fashion item for a matter of

seconds before Andrew Clarke missed a 3 foot birdie putt which actually rolled 8 foot past the hole. By the time Andrew missed his par putt the monkey vest had been worn by all four players in the one group on the one hole.

Greg Parsons was unlucky not to take home the 15 points this month. Having recently retired from teaching the ice-cream mogul has managed to find a lot more time to work on his golf swing (Not quite as much as Newell but close). Greg struck the ball better than we have ever seen him hit it before, his form is actually even better that it was back in 2009 when he won the season championship trophy. The life of leisure that comes with being the Mornington Peninsula Mr. Whippy is obviously benefitting Greg because his ball striking is as good as anyone in the club and he has suddenly found an extra 30 to 40 meters with the drive which he has never had before.

Greg came within a bee's whisker of winning the longest drive on the 16<sup>th</sup> hole, he was unlucky to watch his marker shifted forward by a stone's throw when Stu Coops caught one out of the middle. Greg's drive was longer than Big Mick's, Gerard and Douggo so it was disappointing for him when Stu Coops managed to hit one straight and knock him off what would have otherwise been his second longest drive crown from 90 rounds of Sunday Leave Pass golf. To rub salt into the wound Stu actually left Greg's name on the marker and just crossed it out and then etched his name underneath with a little smiley face.

Despite Greg's new found form, the day actually belonged to Rick Turcinovic, he had a brilliant round of golf and was a worthy winner of the June- Beacon Hills title. Greg Parson was a close runner up followed in 3<sup>rd</sup> place by the very consistent Ron Parsons who was jumped up to outright leader on the points championship leaderboard ladder.

The way Ron is playing at the moment there is a possibility that we will be sending the championship trophy by post from Rich River as Ron will not be on the golf trip to collect his prize this year.

Interestingly two of the recent Beer Wench recipients finished in the top 5 at Beacon Hills, Dale had a great score and carried the pink vest into 4<sup>th</sup> ranking and Col Ewart who was the Beer Wench at Warburton was also a very solid performer with a score of 108 which gave him a Nett 73 and 5<sup>th</sup> position this month.

### Reminder

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

Thanks to Brendan Seagrave who has been appointed as the official Sunday Leave Pass fine marshal. Brendan will be collecting all of the fines from 3 putt monkeys at the end of each round plus he will also be doing a collection from all others who have had fine worthy offences including a four putt, an air-swing and the compulsory \$5 contribution from guys who fail to hit past the ladies tees.

Over the past few years it has been noticed that the same guys kick some \$\$\$ into the fine jar each month to ensure that we have plenty of money for our BBQ and drinking money for the golf trip while there are quite a few others who shall remain nameless who always squib on their obligations to pay their fines. We have nominated Brendan as the Fine Jar Marshall to ensure that everyone pays their fair share.

#### REMINDER HOW 3 PUTT MONKEY GAME WORKS

	<p>*As part of the putting competition this year, as a brainchild suggestion from Paul Blizzard we have introduced the Three Putt Monkey game. At the start of each round every group will be given a flouro yellow 3 Putt Monkey vest and whenever a person has a <b>3 putt or worse</b> that player must put on the 3 Putt Monkey Vest and wear it until another player in the group has a <b>3 putt or more</b>. The player wearing the 3 putt Monkey vest at the completion of the 18<sup>th</sup> hole will be required to chip in an additional \$2 into the fine jar. If multiple players have a <b>3 putt or worse</b> the player who was last into the hole wins the vest irrespective of whether the other player before them had a <b>3 putt, four putt or even a seven putt</b>. The furthest player from the hole should always putt first on the green and that player is deemed as in control and therefore has the option of marking their ball if they miss the putt or putting out. If they chose to putt out and then the following person three putts then the last person to putt out gets the vest.</p>
--	---

A few handicap changes of note this month, Dale lost 0.1 shots after it became evident his blow out at Centenary park was just a glitch and not a true representation of his form. Greg Parsons lost more the ½ stroke as a safety precaution that his new found freedom as a retiree might generate the same benefits that it has had on Ron since his retirement in 2014. Rick and Ron also received a snip whereas about half of the field were given back a little bit for next month. Interestingly the handicapper has left Highways handicap where it is despite the obvious improvement that his golf has shown over the last few months.

## A word from our sponsors

\*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through **DNR print** via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")  
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
