I have forwarded them your email address and details but they will need some more information to arrange to send a membership card and information out to you in the post.

The membership entitles you to all sorts of stock discounts, access to golf course and green fee discounts on some course and gets you invitations to member's nights where stock is usually heavily reduced. Devils Bend Golf Course Results

April

I have always wanted to send out the blurb as a short sharp email with the comment **“Suck Eggs to you all I won and you were all crap”** and now would be the perfect time to do so, but I don't think that would be fair to do when there are so many golf adventures from this month that need to be shared with the rest of the world.

If I kept the blurb that short and succinct you would never get to hear about the following incidences.

*Paul Blizzard on the 9th hole hit the wrong ball. He played Brendan's Taylormade golf ball by mistake and what's more funny was that he actually hit it on the green and then when he realized he played the wrong ball, when he hit his own Taylormade he hit it in the bunker and finished the hole with an eight. Paul's tales of woe also included his buggy rolling down the side of a hill and crashing upside down when the wheel fell off and on the fourteenth hole, and he was also penalized a shot when he managed to putt his ball past the hole where his ball then struck another golfers ball which had not been marked on the green. It's little wonder he was last seen driving out of the Devils Bend car park with tears in his eyes singing the U2 song Sunday Bloody Sunday.

*Brendan Seagrave hit three perfect shots down the Par 5 first hole and was putting for an easy 12 foot birdie on the first hole but he actually walked off the green with a seven for 4 putts and opened up the fine jar for business. The fine jar was boosted with all four members of the same group being Stu Coops, Paul Blizzard, Brendan & Colin all chipping in the maximum payout of \$10 for various indiscretions around the golf course.

*Colin Ewart broke the club record for racking up the maximum fine penalty in the shortest time frame. By the time he crossed the bridge to move from the tee box to the fairway on the 2nd hole Colin had been fined for a 4 putt on the first, he had thrown his club, failed to hit his ball past the ladies markers and the had had an air swing. If that wasn't enough Colin actually hit three balls into the water on the 2nd hole and of those only the last shot was struck well enough to hit the ball past the squatters tee.

*Tony Grasso Senior broke a personal club record. He shot his worst ever score with the Sunday Leave Pass social club. His round of 112 was one he would like to forget especially the five putts that he had on the third hole which cost him a fist full of coins to contribute into the fine jar.

*Stu Coops also struggled to use his putter on the 3rd hole although the damage was not quite as significant. Stu hit his tee shot within 2 feet of the pin on the par 3 third hole. Although he won the NTP prize with a shot that looked like it was going be a hole in one he somehow managed to miss the birdie and just drop the next one for par. Brendan Seagrave best described it when he said “Stu you are the only person I know who is capable of slicing a putt.

*Andrew Clarke & Ron Parsons didn't fare any better on the putting stakes. Both guys had more shots with the flat stick than any other club in the bag. Andrew & Ron both had 8x three putt greens from the 18 holes that they played and the end result was the putter cost them any chance of finishing high up on the leaderboard. It's a pity Ron's putter let him down because after the first seven holes he was on track for a blistering score and he was odds on favorite to claim the monthly title before he succumbed to the pressure and choked.

*Since the green were so treacherous and hard to negotiate there were a few guys who took the easy option and left the putter in the bag as they chipped in from off the green. Ben Nichol, Andrew Clarke and Phil Plane all chipped in for none putts.

*Big Mick had an eagle 3 on the par five 10th hole. Mick played the hole perfectly. He smashed his drive straight and long down the middle of the fairway winning him self the longest drive prize and then he hit his

five iron to within 8 feet of the flag setting up an easy uphill putt for the eagle. Luckily Mick was able to drain the putt and claim the eagles nest prize pool because he had 5 three putts on the back nine which cost him the monthly title. Mick also lucked out with his eagle because he didn't even win the skins prize for the hole because his Nett Stableford score was matched by Col Ewart who's scorecard was riddled with the occasional Newell (10+ strokes) made a brilliant birdie for 4 points on the tenth hole.

*Tony MacIsaac also posted his fare collection of Newell's on the Devils Bend layout. Looking at the patterns of improvement on his scorecards, Tony isn't far away from his break out round. If he can eliminate the scores of 10's (Newell's) from his game, hopefully he will finally claim his long awaited maiden season title. It's just a matter of whether it all comes together on the same day for Tony and the big question is whether it will happen before or after the Western Bulldogs win their second premierships.

*Last month's champ turned into this month's chump. Luke Chacksfield struggled with his new handicap. He was docked 10 strokes after his scorching round at Spring Park but unfortunately the longer more difficult Devils Bend track came out to bite and the best score Luke could post was a round of 102, which was 19 shots worse than his winning score of 83.

*There was plenty of speculation and conjecture when the longest drive hole was suddenly changed from the 5th hole to the 10th hole. It is rumored that Stu Coops may have changed the hole because he was waiting until he actually hit the ball onto the fairway drive to put out the longest drive marker.

This could be true since the only fairway he hit with the one wood for the day was actually the 10th hole. Stu is arguing if he had of left the long drive on the 5th hole he would have won the prize without question.

Stu's drive on the fifth hole was so wide and off course that he needed a packed lunch and an Eastlink pass to get to it. To put it into perspective we have attached a photo of Stu playing his second shot from the other side of the lake it took two shots with a hybrid for him to get the ball back on to the fairway. As you can see by the photo the bank of the lake is in the foreground and he was at least 60 meter's beyond that.

*Despite all of his errant ways somehow Stu still managed to post the lowest score for the day. His recovery shots and yet another good day with the flat stick (14 putts on the front nine) enabled him to shoot 87 Nett

72 and claim the April monthly title. Stu narrowly beat Big Mick Harper on a count back. Both had scores of 17 stableford points on the back nine however Stu closed the day with a two pointer whereas Big Mick could only make a bogey for one stableford point on the eighteenth hole.

With Highway not being allowed out to play again this month the beer wench position was hotly contested. It came down to a contest between Tony Grasso and Colin Ewart. Tony Grasso took him the pink dress on a countback with a score that had he been playing even Newell could have had a shot a beating.

Golf Balls are owed to the following people:

Stuart Cooper	x3	Winner at Devils Bend
Gerard MacIsaac	x3	Winner at Waterford Valley
Geoff Cooper	x3	Winner at Warburton

Reminder

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

PLEASE NOTE: This year the monthly winner has the option of exchanging the number of balls owed to Raffle tickets for the end of year prize draw.

We will be looking to put in an order for new Sunday Leave Pass club shirts shortly. We have had an influx of new recruits joining the club over the last 6 months and we need to increase our stock levels to accommodate the newcomers. If anyone wants to buy a new shirt to replace a worn out uniform or if your expanding girth means that you no longer fit into your old one then if you could please let me know including your size so that I can get an order in for you.

For those who aren't aware, the club shirt has a reward system built into it. For every round you play you are given a raffle ticket which goes towards the end of year raffle, plus if you wear the club uniform shirt you are then given another raffle ticket.

Therefore the \$30 investment to be part of the smurf family may just be the difference between winning a new set of golf clubs or a golf bag or even if you are lucky enough a slab of Bourbon cans.

Last year 6 out of the 18 prizes given away in the raffle were linked back to wearing the simply wearing the club uniform. If anyone is interested I will also investigate the availability of getting in some vests for the winter months. They were approximately \$50 and I will order them at the same time I get the shirts done if there is a demand for them.

[Yes I would like to order a shirt.](#)

Just a reminder that for every round you play you are awarded a raffle ticket to go towards the end of year raffle, then extra tickets are issued if you wear the official club shirt plus extra tickets can also be won by winning a hole in the monthly skins competition.

“SKINS” were distributed to those players good enough to win a hole outright. If more than 1 player got the lowest score on a hole it is Jackpotted until an outright winner occurs.

Skins at **Devils Bend** were won by:

1	Jackpot
2	Jackpot
	Luke
3	Chacksfield
4	Jackpot
5	Ben Nichol
6	Jackpot
7	Mick Harper
8	Jackpot

<u>Number of skins won</u>

Ben Nichol	x2

With the winter rounds just around the corner the handicapper continues to wield his poison pen against Stu Cooper. He is the only golfer who month in and month out has his handicap deducted. Stu was the only player in green this month losing another 0.4 shots. Andrew Clarke has played his 5thth round with the social club and pays the price in the form of a changeover to the Slope Handicap system which is reflective of a change on nearly 3 shots off his very generous handicap. Andrew will be playing off 15.8 which is probably a more accurate representation of the standard of golf he plays to.

Colin Ewart has racked up his third game with the social club and has been given a handicap of 29.0 to get him started.

Most of the field was left with their handicaps unchanged although Ben Nichol, Brendan Seagrave, Paul Blizzard and interestingly Big Mick all managed to get varying degrees of a boost to their handicaps coming into the colder months on more difficult golf courses.

The reason for the dramatic change from a player's 4th round to the 5th round is that under the slope system the player's handicap is determined as the best round that they have played relative to par x0.93 of the 5 rounds he has played. Therefor the best round becomes the handicap and the averaging out of scores does not come into effect until about 10 to 12 rounds have been played before the handicap settles itself into a consistent pattern.

SLOPE HANDICAP FORMULA

The following table is used when selecting the best, or lowest, Handicap Differentials. If more than 20 scores have been entered, the 10 best differentials of the 20 most recent scores are used for the calculation.

<u>Number of Handicap Differentials Available</u>	<u>Differentials Used</u>
5 or 6	Lowest 1
7 or 8	Lowest 2
9 or 10	Lowest 3
11 or 12	Lowest 4
13 or 14	Lowest 5
15 or 16	Lowest 6
17	Lowest 7
18	Lowest 8
19	Lowest 9
20	Lowest 10

The USGA does not calculate a handicap until five scores have been recorded.

BOLD RED NUMBERS- refer to players whose handicap has gone out

BOLD GREEN NUMBERS- refer to players whose handicap has come in

BOLD BLACK NUMBERS- refer to players whose handicap has remained unchanged

A word from our sponsors

*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

PLEASE NOTE: All of the long term members of the Sunday Leave Pass Social Club will be registered as lifetime members of the Drummond Club. This membership has been heavily subsidised by Drummond- Burwood and the social club will be paying the balance. Drummond Burwood has been our prize sponsors for the last three years and as a lifetime member you may receive information and promotions about offers and special deals available to you. For information on the Drummond Club you can click on the following link to find out more information but there is always an opt out option available to you at any time.

This year we also have been lucky enough to have Peter Hutsons' company jump on to the Sunday Leave Pass band wagon. We thank "Wood Tech" from the bottom of our hearts as they have generously sponsored the club for the cost of our golf balls. This of course is on the condition that we promise to spread their branding across the state, which shouldn't be hard as we regularly lose golf balls around all 4 corners of the Melbourne urban district.

Our new golf balls will carry both the SLP and the Wood Tech logo and we expect a shipment from China to arrive towards the middle of the year. Which should keep us in golf balls for the next 2-3 years.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through *DNR print* via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

Evergreen Winery Tours

Sponsored by *Yarra Ranges Wine Regions*

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
