Thanks to all of those who replied to complain that the results were missing from this months round. It was good to give Highway and SOS a reality check about the importance of managing the administration of the club. As well as that it actually for the first time gave some feedback to show that people actually make the effort to read our correspondence.

# Dorset Golf Course Results

## March

Evidently SOS and Newell didn't think it was important to get the scores entered into the system this month, but they did set themselves a task and did manage to empty the esky of its contents (except for the Tun Beer of course) which is some consolation, by the end of Sunday afternoon neither of them could remember where they lived let alone where the cards were left so we had to process the information we had available.

After the barrage of protests from the troops who have screamed injustice and conspiracy theory, Newell and SOS have managed to retrace their staggers and have finally managed to track down the missing scorecards which interestingly had been wrapped up in an empty bourbon can, so we have been able to update the March results taking into consideration all participants from the Dorset round. This is good news for them and not so good news for Stu, Rick and Pete who all plummeted down the leader board as the new scores entered the program.

Although it was probably fortunate for Pete Hutson as he was able to relinquish his last place position and therefore we won't be seeing him join the likes of Greg Parsons and Brendan MacIsaac as 2016 Beer Wench winners so we won't be seeing him wearing the pink vest next month. Had Pete actually finished in last spot I am sure he might have ended up looking like the image below and joined our ever expanding portfolio of classic Beer Wench models.

In the wash down it was Brendan Mac who finished in last place so we look forward to seeing him as beer wench and wearing the vest properly next month and at the other end of the spectrum with some extraordinary golf and beating some rounds which would have ordinarily won convincingly at a Sunday Leave Pass round, it was Andrew Clarke who hit a personal best 75 Nett 57 to win the day. Unfortunately I wasn't there to witness it, and Newell and SOS were not organized enough to catch it on camera but allegedly some of our members say that they actually might have seen Andrew with a smile on his face for a second or two.

Adam Cooper returned to defend his title having blown his home course apart in 2015. Adam gave it a very good try to go back to back but he finished in fourth spot with a sub-par Nett 62 for his efforts.

Geoff Cooper also posted a very credible round, Geoff Hit 99 Nett 68 although there may be a pending protest and inquiry as it appears as though Geoff has recently joined the Steven Dank stables and has entered into an 8 week intensive performance improvement program. Evidently he meets with Dr. Steve Dank and his new friend Ray who injects (non-WADA approved) radioactive subliminal messages into the top of Geoff's skull to make him think he is actually a good golfer. With an NTP, a birdie and 45 off the stick for the first nine it might be working.

Big Ball Breasley pinged his way around the Dorset paddocks, the sound of his drive could be heard from all corners of the course, but the sounds were good ones and he actually hit a career best score of 92 and finished in 2<sup>nd</sup> place with a score which generally would have smashed the rest of the field.

Nearest to the pin prizes were won by:

**2nd Hole**                    **Tony Grasso**  
**5th Hole**                    **Tom Kellythorn**  
**8th Hole**                    **Geoff Cooper**  
**9th Hole**                    **Ron Parsons**  
**11th Hole**                  **Greg Breasley**  
**17th Hole**                  **Peter Hutson**  
  
**Longest Drive**            **Mark Fitzpatrick**

**Reminder**

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

**Golf Balls are owed to the following people:**

**Andrew Clarke**        x3        **Winner Dorset**  
**Andrew Clarke**        x3        **Winner Ambrose Rich River**  
**Leigh MacIsaac**        x3        **Winner at Warburton**  
**Tony Grasso**            x1        **NTP 2<sup>nd</sup> Hole Dorset**

**PLEASE NOTE:** This year the monthly winner has the option of exchanging the number of balls owed to Raffle tickets for the end of year prize draw.

Just a reminder that for every round you play you are awarded a raffle ticket to go towards the end of year raffle, then extra tickets are issued if you wear the official club shirt plus extra tickets can also be won by winning a hole in the monthly skins competition.

“SKINS” were distributed to those players good enough to win a hole outright. If more than 1 player got the lowest score on a hole it is Jackpotted until an outright winner occurs.

Poor Leigh MacIsaac was ripped off in that he wasn't given any skins despite making a tap in eagle two on the 4<sup>th</sup> Hole. Leigh joins an elite group of players and interestingly becomes the third Sunday Leave Pass member to have an eagle on the 4<sup>th</sup> Hole at Dorset.

Skins at **Dorset** were won by:

Mick Harper	x3
Geoff Cooper	x1
Shane Cumming	x1
Newell Richards	x1

The handicapper has had the clippers out again and he took some severe chunks off almost all of the players. For some strange reason he gave 0.1 shots back to Leigh when the club orders have been to keep on ripping shots off him at every opportunity we get.

## HANDICAPS

As a new member of the Social Club the Callaway Handicapping system is used to give the player a daily played to handicap for the first couple of rounds. Once they have played 3 rounds they are given a temporary club handicap using the original AGU handicapping system. After 5 rounds they are then switched across to the current slope handicapping system.

Congratulations to Cliff, Tom and Bevan who have now been allocated official SLP temporary handicaps. Cliff was very fortunate because under the Callaway system his handicap would have been 3. SO he was lucky he qualified this round and has been given a very generous 16 handicap for a bloke who is capable of shooting 75 off the stick.

This system is used for determining fair allowances for social golf events that attract novices or occasional golfers. A player's Callaway handicap is determined after each round by deducting from his/her 18 hole gross score the scores of the worst individual holes during the first 16 holes of the round.

In the computation of handicaps under this system:

- No hole may be scored at more than twice its par,
- half strokes count as a whole,
- the 17th and 18th holes are never deducted,

For example if a player scores 99 on the day their handicap would be calculated as the sum total of their (3 worst holes) +1

If a player scores 82 on the day their handicap would be calculated as the sum total of their ( worst + ½ the 2<sup>nd</sup> worst hole) -1

If a player scores 120 on the day their handicap would be calculated as the sum total of their (five worst holes) +2

After 3 rounds they will be allocated a temporary handicap using the old AGU handicapping formula and then after 5 rounds they are elevated onto the official Slope handicapping system which was use thereafter for all club competitions.

## A word from our sponsors

\*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through *DNR print* via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

*Evergreen Winery Tours*

*Yarra Ranges Wine Regions*

Sponsored by

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")  
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
