

## SUNDAY LEAVE PASS 2006

# Rosebud Results

It was back to reality this month, after playing some very easy courses over the last 3 months, everyone had great difficulty in navigating the much more difficult Rosebud course. Not one player managed to play to their handicap and the scores that were recorded were better suited to game of bowling than a round of golf. For the middle of winter the conditions were excellent, the course was in fantastic condition, although the lightning fast greens claimed many a victim and 3 & 4 putts seemed to be the order of the day.

Of the 16 players made the trip to Rosebud, many were supporting monster hangovers or still under the influence from the night before so maybe that impacted on the poor performances too. Credit goes to Brunto who still made the effort, despite the fact that he had spent most of the night, riding the porcelain bus after a huge night at the Big Fella's engagement party.

As always there were a few noteworthy incidents, a special mention goes to Lukey Dumbrell who broke the record for the most putts on one hole, after being on the green for 2 he managed to finish with an 8 (that is 6 putts for those people who are mathematically challenged)

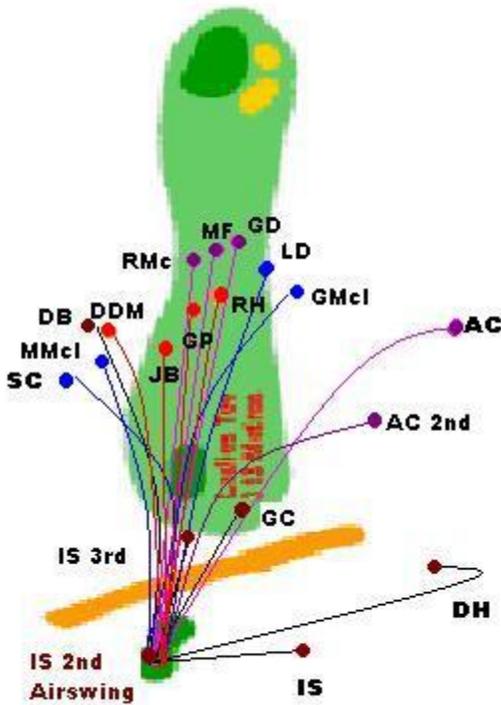

The local members looked on in horror and disbelief as they watched our group hit off the first tee. Never in the long and exclusive history of the Rosebud Country Club had such a collection of misfits been allowed to play on their sacred turf. Not only did we fail to comply with the strict no denim dress code and other dress regulations, but also balls were flying everywhere as drives got smacked in every direction bar the middle of the fairway.

Darren Higgs hit a shank over the road his ball ricocheted off the gutter in the car park, just missed an oncoming Mercedes Benz and finished back on the edge of the golf course.

Ian Smith played an even wilder shank that scooted past a couple of terrified onlookers, just missed the hire golf carts lined up near the club house and then disappeared in the gardens in front of the pro shop. Ian managed to follow that up with an “Air Swing” (yes you do have to count an airy as a shot) and then even after his 4<sup>th</sup> shot he still hadn’t managed to make it past the ladies markers.

Adam Cooper checked his ball into the honeymoon suite after a massive slice with his first drive bounced off the road and crashed into the roof of the local hotel.

Only 7 of the 16 players managed to land on the fairway the rest went everywhere.

Further around the course Matt MacIssac had a near death experience when Stuey Coops’ 5 iron bounced off a tree and missed his head by about a foot. The worst thing about it was that Stu was trying to throw the club down the middle of the fairway but like with the rest of his game, he pulled it left and it went straight into the bushes.

It was a great day to take a break. Burnsie managed to break his 4 Iron and broke the record for the most time spent in Bunkers on the golf course (by the end of the round Daniel De Marinis was calling him David Hasselhoff because he was spending more time in the sand than Mitch did on Baywatch.)

Adam Cooper broke the tiles on the roof of the onsite accommodation, Fitzzy, Ian and Robbie broke the dress code regulations and Coups broke wind every 10 minutes. Overall it was a fun and exciting day for all.

A special mention and a word of thanks, Innes Ireland from the House of Golf in Keilor who donated nearly 4x dozen golf balls to be used as prizes for the year. If you need any golf equipment it would be fantastic to return the favour and go and see him at the House of Golf or give him a call and mention the Sunday Leave Pass and he will look after you and I am sure he would appreciate the business.

Compared to the scores at Ivanhoe the results at Rosebud were much higher. Fitzzy was the best of the Bad Bunch, he had 2 pars and a birdie in the first four holes and then did a Phil Mickelson over the last few holes but despite his best efforts to choke, he still managed to hold on to his lead and won by 1 shot. Yet again, a new comer has made an awesome debut. Glen Dolton shot the lowest round 87 with a Birdie and 5 Pars it looks as though he may be able to compete with Gerard, Nick and Roger as the low marker. Glen scored Nett 75 using the Callaway handicapping system which earned him 9 championship points.

Rick McEvoy came 3<sup>rd</sup> and won 5x skins with his Bogie on the 18<sup>th</sup> Hole. Stu Coops finished 4<sup>th</sup> and Daniel De Marinis extended his outright championship lead over Gerard with a 6 point, 5<sup>th</sup> place finish with a Nett 82.

### Handicaps

The handicapping system is adjusted monthly, dependent on the player's results. A poor round where a player scores worse than a Nett Par and their handicap goes out 0.1 shots on the other hand a good round and the handicap is reduced according to how much less than par they scored.

Until a player has played 3 rounds with the club they don't have an official handicap, however they are still eligible to win the competition and skins as their scores are calculated using the Callaway handicap system.

Since everybody had a shocker all handicaps were adjusted by 0.1 shots.

We are tracking each players, Eclectic scorecard. This takes into account the best holes that they have for the year. We count only the best 4 scores that you get on Par 3's and Par 5's and the 10 lowest scores on a Par 4 over the duration of the season to get your lowest eclectic score.

Eclectic results after 6 rounds this year are as follows:

Next month we are playing at Warburton at 9am, Warburton is a very nice course with magic views, although remember that it is a very hilly course so come prepared as it will be bloody cold up there. It is a fairly long drive out to Warburton so if you haven't already arranged one, it might be worth organizing a group to Car Pool with.

We have booked for 24 players and so far we have **19 confirmed** players and there is every chance that we will have a full field of 24 so Please confirm your attendance ASAP. We may even take up a couple of Kilo's and sausages and have a BBQ after the round so plan to stick around for a few Beers afterwards.

Please SMS or call

Thanks for all off those people who have given us feedback on the 2007 fixture and to those that have suggested possible golf courses. It looks as though we will definitely change Rosebud for another course next year. Many have suggested Devils Bend as an alternative and we will look into it as an option. Feed back form you guys is very important, if we don't hear from you we have no idea what you are thinking.

Any suggestions or feedback please drop us an email.

- \* It has been suggested that we have a Putting prize. This would mean that all of the players would need count up all of their Putts for the day. This is another great fun idea and apparently it works well with other Social Clubs (**our only concern is that some players have enough trouble counting all of their shots let alone the number of putts that they had.**) We can definitely introduce it as part of the competition, but it's probably too late in the season to start this year. We may implement it in 2007.

We had 16 players play this month, so there's plenty more room for the guys who didn't play this month to get back into the swing of things. Please remember to let us know if your circumstances change ASAP, if you suddenly find out that you can't play or if you want to bring a new person to play, please just make sure that you give us plenty of notice. The club needs to prepay and confirm our booking at least 10 –14 days before the date of our booking, any changes once we have confirmed can be difficult, impossible and sometimes expensive.

Please remember: **If you cancel and a spot is booked for you, then you are responsible for either finding a replacement player or paying for the round any way.**
