

## SUNDAY LEAVE PASS 2006

We are trying the brief in a word document to see if the formats are easier to read.

## Ivanhoe Results

Once again Ivanhoe produced some fantastic scores, despite the early morning drizzle there were quite a few players who still enjoyed the conditions. The handicapper had his work cut for him this month with seven players playing at or below their official handicap and therefore all of them feeling the wrath and losing a slice off their old handicaps.

As always there were a few noteworthy incidents, a special mention goes to Gerard who tried to join up with a group of blokes who weren't part of the social club. It's just a pity he found out before they had all hit off, as it would have given the rest of us a better chance to win a nearest to pin or catch up to him on the points tally.

Gerard must have been having a bad day, as he was also part of the group who started to play the 6<sup>th</sup> hole when they should have been playing the 3<sup>rd</sup> Hole. Stu Coops, Rick & Gerard were all playing their 2<sup>nd</sup> and 3<sup>rd</sup> shots when another group yelled out to tell them that they were on the wrong hole. It's a pity too as Gerard's drive may have been in the running for longest drive. It's hard to believe that not one of them saw the huge sign with the hole number and map of the 6<sup>th</sup> hole or the huge number "6" painted on the rubbish bin that was sitting on the tee. Morons.

A special mention and a word of thanks, goes to our latest sponsor, Bursons. Care of Darren Higgs and Bursons, we were lucky enough to each receive a complimentary Bursons stubby holder to be used for beers after the game. We are hoping that next month Bursons will send some of their hot courier driver chicks to Caddy for us.

Apparently Roger Powne was giving lessons to his fellow players on how to hit a high 7 wood onto a Par 3 green, 2 balls out of bounds and 8 shots later, they decided that it is probably better to hit a 5 Iron instead.

This months results saw the Big Fella coming through with an awesome round, he shot 78 off the stick with a triple bogie on the last hole, his Nett 61 was convincingly the best round for the day, which earnt him 10 championship points. Nick also won the longest drive and 7 skins, so it was a pretty good day all round.

Adam Cooper has continued to improve, he has followed up from his 3<sup>rd</sup> place finish at Albert Park with a 2<sup>nd</sup> place finish at Ivanhoe. Despite having nearly 1 ½ shots taken off his handicap this month Adam still finished his round 4 shots under par. Adam is now ranked 3<sup>rd</sup> and is only 4 points behind Daniel De Marinis.

Stu Coops played badly on the front 9, he shot 47 on the front, but improved when the sun came out, 36 on the back nine was good enough to get him into 3<sup>rd</sup> place. Daniel De Marinis shot a consistent round, 83 off the stick gave him a Nett 66, he came 4<sup>th</sup> overall and took the outright leaders position on the points tally. Gerard, Roger Powne and Luke Dumbrell all finished with sub par rounds.

Remember that the more times that you play during the year, the greater the chance of winning a prize. For every month you play you are given a ticket for the end of year raffle draw. Being a raffle it gives everyone a fair chance of winning a prize and the regular players are rewarded because they have more tickets, so please make the effort to become a regular. Bonus tickets can be picked up along the way through the skins competition. Skins are calculated using the handicap system so anyone who has a good hole they could pick up a skin or two.

Skins were distributed to those players good enough to win a hole outright. If more than 1 player got the lowest score on a hole it is Jackpotted until an outright winner occurs.

Skins won at Albert Park were as follows:

1	Jackpot
2	Jackpot

## Handicaps

The handicapping system is adjusted monthly, dependent on the players recent results. A poor round where a player scores worse than a Nett Par and their handicap goes out 0.1 shots on the other hand a good round and the handicap is reduced according to how much less than par they scored.

### Current Handicap Status

The use of duplicate score cards is working well. I know it is extra paperwork, however we are better able to decipher the handwriting and cross-reference any score inconsistencies. The scorecards have been more accurate since we implemented this system so we will continue to do it each month.

We are tracking each players Eclectic scorecard. This takes into account the best holes that they have for the year. We count only the best 4 scores that you get on Par 3's and Par 5's and the 10 lowest scores on a Par 4.

Eg. If on previous rounds you had scored 3,3,4,6, on the Par 3's and this month you got 4,5,5,3 then your score would come down to 3,3,3,4

Eclectic results after 5 rounds this year are as follows:

eclectic scores  
2006.xls

Improvements are marked each month in green.

Next month we are playing at Rosebud at 11am, Rosebud is a very nice course, it is a lot longer and tougher course than some of the others that we have played but unfortunately the green fees are more expensive too. Please be aware that it will cost \$50 next month instead of the usual \$30.

Some of the guys make a weekend of it and stay at Rosebud the night before, if you are playing this month and want to arrange a car pool or if you are too pissed to drive after the Big Fella's engagement party then let us know and we will give you the phone numbers of other players who may be driving down.

We have booked for 24 players and so far we have 15 confirmed payers. Please confirm your attendance ASAP.

Please SMS or call

For anyone who needs information on how to get to the course you can log into their Web Site.

Please Note: **The course has specified that players are not to wear any denim and everyone must wear a collared shirt, there is no alcohol to be consumed in the car park so we will be having drinks in the licensed bar at the clubhouse after the round.**
