Players who fail to meet the deadline are charged a late payment levy of **\$5-00** on top of the original golf fee's. Anyone who finds it too difficult to make the EFT transfer on time is welcome to make a larger transfer and keep some money in credit for when they fail to make the payments on time.

## GOLF TRIP 2015

Please Note: We have booked the golf trip this year and we will be returning to Echuca, Rich River Golf course. The date of the golf trip will be **Friday 4<sup>th</sup> to Sunday 6<sup>th</sup> DECEMBER 2015**. The Cost is approximately **\$330.00**. We have booked for 27 players (3 people per room) so please book it into your calendar and let me know if you are a definite attendee by Email [stodaydream@gmail.com](mailto:stodaydream@gmail.com) or the links here. [YES I want to take part in the golf trip this year](#) [No I will not be going to Rich River](#)

Potentially we may reach maximum numbers for the golf trip this year. If you are a definite starter let me know ASAP as bed allocations are done as first come first served and if we can't book any extra rooms it is just too bad for those who will miss out.

# Morack Golf Course Results

## July

Given it is the middle of winter and the weather forecast was pretty grim, we were blessed with the conditions that Morack delivered. It may have been cold and a windy but at least for the majority of the day we were able to stay relatively dry. The Morack course is usually a track that sets up for some good scores, Peter Hutson won the round last year with Nett 67 however the scores this month were not quite as appealing.

The only player who can hold his head up with pride and say that he played well was Rick Turcinovic who has been inspired after a month of matrimonial celebrations as a result of him winning at Beacon Hills. So good has been the aphrodisiacal influence of the winners jacket that Rick played outside himself at Morack and the result was that he has gone back to back with an uncontested victory in July. Rick hit 103 Nett 71 to claim his second title in as many months. In his victory speech Rick suggested that bringing home the silverware is the greatest thing he has ever done, and made mention of the fact that in the last month he has seen as much action in the bedroom than he has in a long time, in fact he reckons the Sunday Leave Pass monthly title has created even more of a stir of arousal in the home-front than was the case when **E. L. James** launched her book “**Fifty Shades of Grey.**”

Rick’s victory didn’t come easy though, he hit off with Dale on Sunday 19<sup>th</sup> July, for those that don’t remember it was a freezing cold day, and as the boys rolled into the car park at 8am the temperature was at zero degrees and the golf course was awash with fifty shades of white.

Outside temperature

Golf course was covered in ice and frost

Is that Dales golf hat?

When you compare that to the conditions we were faced with we don’t have all that much to complain about.

After winning 30 points in the last couple of months Rick has rocketed up the Sunday Leave Pass Points leaderboard, he is now in first position on 63points which interestingly is just about more points than he received in the first 5 years that he played with the social club. History is in the making, there has never been anybody who has gone three titles in a row, based on current form Rick may just well be the first person to complete the hat-trick when he fronts up at Werribee Park in August.

Grumpy currently holds the record for the best winning streak when he won 3 titles in four months in season 2010.

While Rick and Dale were sunning themselves on the beaches in Bali drinking cocktails and toasting to the good fortunes of sun shine and volcanic ash on the 26<sup>th</sup> July, the rest of us were chasing the little white thing all over a mud sodden paddock. It wasn’t uncommon to get a plugged ball or to be standing up to your knees in casual water, although surprisingly the greens were still running very fast.

The yellow vest did the rounds and was shared regularly amongst the players in almost every group, the fine jar was boosted by regular 4 putts and a couple of putts from on the green to off the green and even a 5x putt from highway who struggled despite the advantage of the round being played on his home course.

While most players struggled to come to terms with the speed of the greens, Stu Coops had his putter radar on. Despite some poor shots around the golf course Stu kept in the game by some great putting, he finished the front 9 with only 14 putts which included a four putt green on the fourth hole and even with a couple of stints with the yellow three putt monkey vest he only had a total of only 30 putts for the day.

Slinky showed his playing group how to keep the putting count to a minimum when he chipped in for a birdie 2 on the 16<sup>th</sup> hole and he also had a couple of near misses as he peppered the flag with every opportunity that presented itself. Tony Mac, Chris Sfiligoj and Greg Breasley also all had excellent chip ins, Big Ball Breasleys probably being the most noteworthy as it was a chip in for a ten on a par 4.

Big Mick managed to win two NTP titles with some excellent shots into the par 3 holes but on the other hand also posted his second worst score ever. Micks round of 94 had him in close contention for beer wenching duties especially after he posted a score of 8 with one putt on the easiest hole on the golf course. Mick hit a good shot down the 10<sup>th</sup> hole, his pitching wedge from the tee just missed the green to the right and would have otherwise won him his 3<sup>rd</sup> NTP award. His ball was laying nicely for an easy up and down or 4 at worst. Unfortunately for the big fella his flop shot was more of a "flop" than a "shot" and he left his ball still in the sand trap. He caught his next shot thin and it raced across the green and ran into the bunker on the other side. He bladed his next shot into the lip of the hazard before charging another shot back into the bunker where he had started from. The funny thing was that in his haste to chase his errant shot Mick hadn't raked the bunker and as luck should have it when his ball rolled back into it the sand it finished embedded in his own blast mark divot. When Mick finally got onto the green he made a one putt but the damage was done as his five over par had depleted more than half of his handicap all on the one hole.

Chris Sfiligoj has been a long time stranger to the club, we haven't seen him since the 2014 golf trip and after his performance on Sunday we might not see him again until the 2015 golf trip. Chris posted his worst ever score with the Sunday leave pass group, he had 125 shots and it was only the fact that he improved on his first front nine score of 68 by 9 shots that saved him from being crowned the July beer wench. In amongst Chris' 2x nine's, 2x ten's, an 11 and a 13 Chris did also had a few very good holes.

All of the betting prior to the round was on Newell to take home the monthly title. In the days leading up to Sundays golf, Highway actually frequented Morack on 23x separate occasions, distributing his time allocation between the practice driving range, golf lessons with the Morack Pro Brian Fitzgerald and his regular jaunts out on the Morack course. So heavy was his investment into Morack this month that one of his other golf suppliers actually went bankrupt due to the sudden loss of their guaranteed regular income.

Subject: Closure of Amazing Golf Australia.

To all our valued customers, it is with great regret and heavy hearts that we announce the closure of Amazing Golf Australia, *effective immediately*. This action has been caused by suppliers going into receivership, and the loss of many thousands of dollars, which has resulted in extreme financial hardship, therefore we are unable to keep the doors open any longer without Newell's regular income.

To customers who still have lessons remaining - We will have one simulator set up at home (back where it all started) in 4 week's time for those remaining lessons to be redeemed. Customers that are on direct debit, "please note" your direct debit contract with us has been cancelled, *effective immediately* - and there will be no cancellation fee.

This e-mail address and the business mobile number [REDACTED] will be running for 4 weeks to take bookings for the remaining lessons, after that time it will cease. If you have any questions please do not hesitate to contact us directly via this e-mail address or the phone number above.

We want to thank you all for your time with us and apologize sincerely for any inconvenience, disruption or upset this has caused any of you. The last thing we wanted, was to close the doors and upset all of our customers and some very close friends that we have made along the way. However after a long and careful look at our business it became very obvious that we had to take this action.

Again we are extremely sorry for any upset this has caused and wish you all the best.

Sincerely,

Daniel & Zoe Crayford

Newell was able to prove that practice doesn't always make perfect. His scores were not reflective of a player who is playing golf seven days per week, in fact his playing partner Peter put it down to the supposition that he may even be fatigued and was playing too much golf.

It should be said that of the 18x Newell's (scores of 10 or more) posted at Morack, Highway can only lay claim to one of them and his score of 11 on the second hole, is nothing by comparison to the 15 marked on the card of Rob Underwood, the 14 racked up by Colin or the score of 13 written on the scorecard for Burnsie.

Greg Parsons basically cost himself a monthly title when he unraveled what was otherwise a good round with his blow out on the fourteenth hole which cast him 12 shots to complete a 342 meter walk.

It should be said that conditions were very tough on Sunday. The fairways and bunkers were sodden and heavy and the cold temperatures and strong winds made golfing very difficult, consequently the spread of score was very high it ranged from 91 to 135 at an average of over 109. When you compare that to Centenary Park where the average score was only 99 and that by reputation is a far more difficult course and has a par of 72 compared to 70 at Morack.

Newcomer Barry Hemsley struggled to keep his head above water as the conditions deteriorated and as the day went on. In fact on the 12th hole he was forced to play a shot from the lake with Barry actually standing in the water as he played his shot back out onto the fairway and his effort commendable. It was pretty much like a re-enactment of Karl Winters walking on water trick back in April at Devils Bend and it had the same successful outcome. Interestingly we haven't actually seen Karl since that fateful day at Devils Bend so we are starting to wonder if he didn't actually drown after playing his ball from the middle of the lake.

Greg Breasley has taken his title of Beer Wench to the whole new level. Having posted the worst score last month at Beacon Hills Greg was awarded the burden of wearing the flouro-pink Beer Wench vest. Greg could be seen from all corners of the course with the vest reflecting what little sun there was like it was a light house beacon. It was no wonder that all parties noticed Greg when he decided to hit his ball off the ladies tee's.

*Greg was addressing the ball when a player in the group behind him called out from the green behind him: "Hey Greg just cos you are wearing the pink vest it does not mean you can hit from the Ladies' tee box."*

*Greg backed away from his ball, a little distracted, he then approached his ball again. As he stood over his ball, a player in the group in front yelled back at him: "Big ball Breasley you cheat you are not allowed to hit from the Ladies' markers."*

*Greg was getting into one of his raging moods, he was irritated now, and after backing away from his shot for a second time, he approached his ball once more only this time to have a little chinese woman call out from the adjoining fairway beside him: "Scuse me sir in the high vis top you need to play your shots from the white tee's not the red ones!"*

*Greg had had enough by this time, he turned around towards the poor unsuspecting chinese lady and yelled at her and to everyone else on the golf course: " I really need you to shut the hell up and mind your own bloody business so that I can play my second shot, that's right it is my second shot, from the ladies tees because my drive from the men's tee's was not good enough to get past them!"*

Needless to see it was a great laugh for all involved, except for Greg.

Perhaps Greg would have a little more success with his ball striking if he invested in a new driver, looking at the photo above the shaft appears to be severely bent in the wrong direction from one of his previous temper tantrum club throwing incidences. However he might also be looking for a better supplier than Stu Coops from Spring Park Golf Course who managed to sell him some Footjoy shoes at a discounted price the only problem being that when Greg received the shoes on Sunday it was a custom fit box designed for an amputee as there was only one shoe in the box.

Rob Underwood (alias Undies) was thinking he might well be the next person to only need one shoe. Undies was preparing for the fact that he might need to become an amputee after his knee blew up on Monday morning bigger than Chris Sfiligoj's score card. Undies usually carts it around the golf course however due to the wet conditions he was forced to walk and the consequence was a bad swollen knee and the next three days off work. Interestingly you might note his undies match the color of his golf cart, the fact that he sends photos of himself in his under garments is testament to why his friends have nicknamed him undies.

Greg Breasley was nearly an amputee himself when he came within inches of being decapitated from one of the 125 wayward shots played by Chris Sfiligoj. Peter Cox also came within inches of taking one or if not all of his playing partners on the 18<sup>th</sup> hole. In his first outing with the Sunday Leave Pass social club Pete was quite chuffed to be standing on the last hole without being hit up for a fine. Needless to say it didn't quite turn out that way for Pete. His last drive was a shank (\$2), his drive failed to get passed the ladies tees (\$5) and he 3 putted the last green and was forced to wear the monkey vest home to the bar for another \$2 fine. Pete's shank actually rolled between the legs of 2 of his playing partners, then ran under a golf buggy and just missed a seat where Newell was sitting while he added up his scorecard. Luckily the ball missed all concerned although Barry was very quick to say **"I was gonna jump out of the way but the ball was going so slowly that if it had of hit me I don't think it would have even come out in a bruise."** Even after his second stroke Peter still hadn't managed to hit his ball past the ladies markers, however he did recover and hit his 5<sup>th</sup> shot with a hybrid club from 165 meters out to within 4 feet, and rolled in the putt for a very eventful double bogey.

**REMINDER HOW 3 PUTT MONKEY GAME WORKS**

\*As part of the putting competition this year, as a brainchild suggestion from Paul Blizzard we have introduced the Three Putt Monkey game. At the start of each round every group will be given a flouro yellow 3 Putt Monkey vest and whenever a person has a **3 putt or worse** that player must put on the 3 Putt Monkey Vest and wear it until another player in the group has a **3 putt or more**. The player wearing the 3 putt Monkey vest at the completion of the 18<sup>th</sup> hole will be required to chip in an additional \$2 into the fine jar. If multiple players have a **3 putt or worse** the player who was last into the hole wins the vest irrespective of whether the other player before them had a **3 putt, four putt or even a seven putt**. The furthest player from the hole should always putt first on the green and that player is deemed as in control and therefore has the option of marking their ball if they miss the putt or putting out. If they chose to putt out and then the following person three putts then the last person to putt out gets the vest.

Despite its reputation as one of the easier golf course on the Sunday Leave Pass fixture the handicapper has been left with no other choice but to give back a few some to the field this month. Only Rick Turcinovic had a downward adjustment to his handicap whereas more than 3 shots were added across the group. Big Ball Breasley's run of bad form had the most significant change with his handicap blowing out by 1.1 shots overnight. Congratulations to Nigel Stone who has been issued an official Sunday Leave Pass Handicap after completing his third round with the social club. Nigel will be playing off 21.3 next month at Werribee.

# A word from our sponsors

\*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through *DNR print* via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary

Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")  
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
