

SUNDAY LEAVE PASS 2013

PLEASE NOTE: Before we get into the results for the 2013 Sunday Leave Pass season and the end of year golf trip. Please make sure you let us know as early as possible if you will be playing in January. We will be hoping for better attendances each month next year and we have only booked for limited players. The numbers this year dropped dramatically so we hope to see you all out there again in January at Waterford Valley. For the guys who went on the golf trip they should have received a copy of next year's fixture for everyone else we will have them available for the first few rounds of next year. A copy of the fixture has been posted on the Sunday Leave Pass Website. <http://www.sundayleavepass.com/2014%20Fixture.htm> and it has also been included at the end of the golf trip results blurb.

If you haven't already can you please let us know if you are expecting to play next year, we have booked for a maximum of 32 players but we need a more accurate guide on who we should expect to play regularly in 2014?

PLEASE NOTE: There are many players on our distribution list that have been inactive participants for quite some time now and we don't even know if your email address is still active. In the next few weeks we will be sending out an email to those players advising them that we have taken them off the email distribution list and to get back on to the list and stay as an active member of the Sunday Leave Pass family they will need to reply to the message so that we know the email address works and they need to confirm that they still want to be bombarded with Sunday Leave Pass propaganda. If the email is not replied to we will assume the supplied email address no longer operates or the player is not interested in the club activities and therefore they will no longer receive the Social Club correspondence.

Rich River Golf Trip Results

GOLF TRIP 2013

There is a famous, age old saying, which was a rule created to protect the innocent or guilty “**what happens on the footy trip stays on the footy trip**”. So it is fortunate for me that this was by definition a golf trip so we can spill the dirt on all who got themselves into trouble over the weekend.

That was the theory anyway however the reality is that after being forced by Peter Hutson to crack open the first can at 830am on Friday morning I have very little recollection of the events thereafter so this year’s golf trip blurb will be more analytical of the golf scores than a regurgitation of the trials and tribulations of individual people at Echuca.

My memory loss is really quite fortunate for Brendan Seagrave who’s secret will be safe about how managed to get lost between the Moama BWS store and the golf club which was only three minutes down the road. From what I can vaguely recall happening, I think that the beer fumes exuding from Peter Hudson’s breath and pores had gotten to Brendan’s head and he actually drove for more than 10 minutes down an un-made dirt track heading in totally the wrong direction before he final accepted that his co drivers were correct and he was actually lost. Three phone calls and 37 extra kilometers later Grumpy finally made it into the Rich River Golf course car park and was already living up to his nickname, since he was not a very happy man.

Newell Richards alias **Highway Man** was quick to become the center of attention on the journey to Rich River. A self-proclaimed Cadbury drinker Newell opted to hold back opening his first drink until well into second hour of the journey. Peter Hudson had already put away four cans before the Highway man decided that he was just about ready to join the drinking party. “**I think I will have a beer with you now, but I will need to have a wee before I drink some.**” Newell must be the only person on earth who breaks the seal before he even pops the can open, now that is living proof he is a Cadbury drinker.

By 11am on Friday almost the entire field of 17x players were already at the resort in varying degrees of sobriety and given the rooms weren’t due to be ready until Check-in at 2pm it allowed for plenty of time to play golf and spend some time in the bar comparing the difference between Victorian and NSW beer service. Some of the more enthusiastic guys actually managed to get 27 holes of golf on Friday as a means to try to run into some form for the Saturday competition and the remainder managed to complete 27 schooners instead.

Rich River was a great golf course, the fairways offered a perfect lie every time you hit them (which wasn’t that often in my case) and off the manicured surface the rough was basically bare earth and ants nests but it always offered a relatively easy shot to get back into play without penalizing you too severely. Most players sang the praise of the course especially the deep red sand in the bunkers around the greens since they were consistent and easy to get out of. That is unless you were Mick Harper who took 3 shots to get out of the bunker on the 13th hole on the Friday round and then three shots again to get out of exactly the same bunker again on the Saturday too. When you’re playing off a single figure handicap you can’t afford to waste shots playing in the sand pit and that was probably why Big Mick alias **Batman** had a disastrous golf trip and hopes we all forget the entire event as soon as possible.

The 17th hole on the East Course of Rich River is probably the best golf hole any of us have ever run into. Having said that, it probably claimed at least one golf ball from just about all of us on either the Friday or Saturday but still you couldn’t help but rave about it anyway.

The hole is lined with three brilliantly designed water hazards two of them despite being in play are blind from the tee and the hole offers three different ways to tackle it. There is a safe option, a semi risky format or the grip it and rip it white knuckle approach where you need to carry 250 meters to clear the water. Therefore the hole offers a risk versus reward style approach where you can play safe or take the gamble and hope things work out for you and if they do the scorecard will benefit. Dale, Phil, Tony & Rick played the hole with the rule that if you didn't go over the water you had to buy a jug. Needless to say the bar profits went up dramatically and the boys were feeling a bit hung over Saturday morning having all had to contribute an extra jug to the beer fund having fallen short or run through too far and ended up fishing in the bag for a new golf ball.

There were plenty of golf balls lost over the weekend. The hazards were often hidden over a rise and the lie of the land usually fed into the water so anything close to the drink would usually end up wet. Some players scored well and others struggled to cope with the challenging greens and testy golf course layout.

The moment Trevor Adair was forbidden from going on the golf trip, the points championship was all over bar the crowning, Trevor's absence meant that there was no added pressure on Gerard MacIsaac to perform as there was no one in the field who could catch him on points so all he needed to do was go through the motions. Free from any pressure on Saturday Gerard coasted around the magnificent Rich River course. He Shot 80 Nett 71 to prove that he was a worthy seasons Champion. Gerard not only finished the season with 124 points 30 clear of his nearest rival but he also claimed his third monthly title for the year by winning the December round on a count back from Chris Sfiligoj and Phil Plane.

Gerard had a dream result this year at Echuca, not only did he win a \$250 Drummond Golf Voucher for his victory in the points championship, but also claimed three nearest to pins and a longest drive at Rich River, he was also a convincing winner in the putting competition for the year and took away some prize balls for having the lowest eclectic gross score during the 2013 season. If that wasn't enough he also managed to win the heavily sought after slab of bourbon in the end of year prize raffle draw and the Champion of Champions Blue Jacket as well. In essence he finished the golf trip with a green from ear to ear.

The Champion **of Champions** competition was played off between all of the players who won a monthly competition during the year; the champion of champions is the player who has the best score from all of the monthly winners who attended the golf trip. This competition was played off over 9 mystery holes on the Saturday competition with the player who scored the most stableford points taking out the title and adorned the coveted winner's jacket.

Ranking	1	2	3	4	5
Player	Gerard MacIsaac	Phil Plane	Greg Breasley	Steve O'Sullivan	Mick Harper
Points	20points (9 holes)	20points (9 holes)	18 points (9 holes)	16 points (9 holes)	12 points (9 holes)

Congratulations to **Gerard MacIsaac** who was the overall winner of the Champions of Champions trophy with 20 stableford points. Once again it was a close finish and for the second time in the day Phil Plane was unfortunate to lose on a count back to Gerard who accrued more Stableford points on the back 4 holes than Phil did.

Gerard was escorted by an armor-guard van to protect him while he took all of his loot back to his room and was smiling and singing about greatness of the universe, while on the other hand Big Mick alias **Batman** had tears in his eyes and he actually required armed guards to escort him to the bar just to ensure he didn't go AWOL and rescind on his BEER WENCH obligations. The big fella was shattered when he discovered that he had in all of his arrogance failed to live up to expectations and had fallen short of avoiding being the worst scoring golfer on the golf trip. Too much alcohol and an all-night escapade was too much for Mick and his golf suffered the consequences. 95 off the stick Nett 87 was the result and given that the only players with worse scores had exercised their rights to take out BEER WENCH INSURANCE the big fella was suddenly emasculated and left with the humiliation of wearing the new and improved BEER WENCH uniform during the dinner beverage service.

Mick looked a spectacular sight in his floral frock and blond wig and he was inundated with offers from the desperate locals who were out looking for some companionship and loving. Whether he got any action we will never know since he is not the type of girl to kiss and tell but one thing is for sure is that Mick will be seriously pondering taking out insurance against himself next year. Time and time again Mick had claimed that there was no way in the world that he would ever finish in Beer Wench position but the proof is in the photographs. It goes to show that you should never say, "Never." and it proves that anything is possible. All of the money raised via the Beer Wench Insurance Levy was added to the Fine Jar tally and was used to buy drinks long into the Saturday night dinner.

Special thanks to Stu Coops who volunteered to assist with the BEER WENCHING duties after Fitzy pulled off one of his dodgy scams. Fitzy spent most of Saturday afternoon selling heavily discounted BEER WENCH INSURANCE to all of those players who had not paid insurance by the deadline. Consequently Stu was the only player without insurance cover and therefor technically he was obligated to carry out the Beer Wenching duties.

Waking up with a woman's dress on the floor beside his bed on Sunday morning wasn't all that bad a result for Mick. He found his mojo again and went on to perform admirably during the BEER & BEROCCA SHEILD Ambrose tournament. Mick accompanied Steve Powne and the Highway man (Newell Richards) and the threesome shot the best score Nett 68 and therefore claimed the title and will have their names immortalized in Sunday Leave Pass history. The victory was a great result for the Highway Man who having only taken up the sport four months ago was able to go home to the family after his first ever golf trip carrying one of the major trophy prizes. It was a great effort and an inspiration to other aspiring golfers especially considering he had Nett 107 on Saturday. Newell is so proud of his trophy that the first thing he did when he got home was take the Christmas Wreath off the front door and replaced it with the Beer & Barocca shield.

The Highway man (Newell) actually came very close to taking home two of the major trophies from the end of year trip. In the four rounds he has played this year Newell racked up a total of 14 Skins holes which was a brilliant effort considering that the winner of the Skins Championship Steve Powne actually played a total of 10x rounds for the season and only accumulated a total of 16 skins.

Grumpy also mad a last minute charge for the skins prize. He claimed a 5x hole jackpot haul with his birdie on the 16th hole at on the East Course at Rich River which moved him into second place with a seasons total of 15 skins, and he came ever so close to a Steve Bradbury like, come from behind finish.

Phil Plane has had a stellar season in 2013. He had a convincing victory at Ringwood this year and was highly recognized by his peers as the most improved player for the season. Phil received a total of 31 votes in the player's choice awards ballot for the most improved player which was a tally of 18 votes more than Rick Turcinovic and Greg Breasley who were his nearest rivals. Phil was unlucky to lose the Champion of Champions trophy on a count back from Gerard but he looks like he will be a very strong competitor in the new year and who knows he might even give Trevor the bushranger Adair a run for his money for the 2014 seasons championship points or at least make it difficult for Trevor along the way.

At the other end of the spectrum it was Tony MacIsaac who polled strongly in the player's choice awards for the Least Improved Player. T. Mac has had a tough 12 months and is looking forward to turning around his poor form with some solid rounds in 2014 after he has been fixed up by the golf Professionals at MGA with the lesson he won for being the worst player in the year. Tony needs all of the help he can get because the Handicapper has been very tough on him this year and refuses to give him any extra on his handicap despite turning in some very ordinary scores.

At one stage during the Beer & Barocca Shield Ambrose Tony's partner had contributed 8 of the first nine drives, meaning tony need to add at least 5x drives to the scorecard on the back nine. Despite failing to hit the ball past the ladies tee on the par three 13th hole it was decided to take Tony's drive. On the 14th hole when Tony's partner hit his ball into the lake he was able to contribute another drive to the team. When both Tony and his partner managed to hit their drives into the lake on the 15th hole and the drive was allocated to T Mac it was decided that Tony might get in his required 6x drives after all. Needless to say Tony and Stu finished well down the ladder on the Ambrose competition but at least Tony managed to get his 6 drives on the card by the end of the day even if none of them could be considered a benefit to the teams score.

As for the rest of the field and their golf, the final finishing place rankings on Saturday, Sunday and the champion of Champions were as follows:

Winner for the day Gerard Maclsaac Won 3 Golf Balls.

Winner of the "BEER WENCH" award was Mick Harper who shot the worst round for the day.

Winner for the Champion of Champions award was Gerard Maclsaac

This year we offered the option for all players to take out a BEER WENCH INSURANCE. The cost for insurance was \$20 which was added to the Saturday night Fine Jar kitty. By taking out insurance a player became exempt from beer wench duties. **All of the players marked in green were the ones who took out insurance.** For Newell (Highway man) and Tony Mac it was a wise decision as they were able to dodge the responsibility that poor golf on the golf trip leads to and were able to sit back at the bar and enjoy their free drinks while Big Mick and later on Stu Coops wore the dress and provided beverage service to everyone else.

Congratulations to Steve Powne who managed to win the skins trophy this year. It will sit with pride in place in his trophy cabinet alongside the Wood and Spoon Trophy for having the worst average place ranking for 2013. Steve on average finished in 15th place every time he turned up to play this year so consequently his name didn't feature very high up on the points leaderboard tally.

2013 has not been our greatest season with our attendance level falling to unprecedented levels. In spite of the poor participation rate, some of the regular players who did make the effort to play regularly have made a significant improvement in their game.

Congratulations to Gerard who spent the majority of the season at the top of the leaderboard and by the time he arrived at Rich River he already knew the trophy was his. The Runner Up this year was Stuart Cooper who has finally started to show a bit of promise and is even hitting the ball on the fairway on the very odd occasion. Both the first and second prize gift vouchers were supplied by Drummond **Golf- Burwood.**

The Social club runs as a neutral organization and all of the money we raise each year is spent on prizes and we start each year with basically a zero \$\$\$\$ bank balance. As was to be expected the fine jar kitty was drunk dry in the early hours of Sunday morning and the proceeds of the club activities which includes green fees, and beverage & merchandise sales were invested in the form of prizes for the end of year raffle draw. In total we had more than \$2000 worth of prizes to give away. The spoils were spread over more than 20 of our members.

The raffle is conducted by issuing every player a ticket for each round of golf that they play over the course of the year. If a player wears the Sunday Leave Pass Club shirt to the round they are given a second raffle ticket. We also run an 18x hole skins competition where every hole is worth one raffle ticket and a player wins raffle tickets for scoring a better stableford score than the rest of the field. In the skins competition whenever 2 or more players have the best score on a hole the raffle tickets carry over and jackpot until a unique hole-winner is achieved. Some players had some significant Jackpots where they won 6 or more skins at the one time. This dramatically increases the number of raffle tickets a player has but at the end of the day the raffle all comes down to chance.

As a matter of fairness a player is only entitled to take home one prize no matter how many times their name is drawn in the raffle. A player is entitled to upgrade to a better prize if their name comes out again and the lesser prize is redrawn. In order to qualify for the Major Prizes a player must have played at least 6 rounds with the club or be in attendance at the Golf Trip to claim the prize.

Congratulations to all of the winners. It was a real love fest in the raffle this year with many players accepting a lesser prize because they were happy with what they had. Steve Powne accepted a golf hit in exchange for a golf bag. Greg Breasley knocked back drivers, hybrid clubs, golf bags and even a slab of bourbon so that he could keep his umbrella and Dale Robinson was so content with his new Odyssey putter that he passed up a set of Cleveland irons the major prize. A special thanks to all of those guys for their generosity and social responsibility. It made me proud to have these guys as members of the club. Well done to you all for your selfless attitudes.
