

**SUNDAY LEAVE PASS 2015**

PLEASE NOTE: Before we get into the results for the 2015 Sunday Leave Pass season and the end of year golf trip. Please make sure you let us know as early as possible if you will be playing in January. We are expecting bigger attendances each month next year and we have only booked for limited players. With a few new faces expressing some interest in landing a regular spot it sounds as though the numbers may go up next year. We hope to see you all out there again in January at Yering Meadows. For the guys who went on the golf trip they should have all received a copy of next year's fixture. For everyone else who didn't make the trek to Echuca we will have them available for the first few rounds of next year. A copy of the fixture has been posted on the Sunday Leave Pass Website. <http://www.sundayleavepass.com/2016%20Fixture.htm> and it has also been included at the end of the golf trip results blurb.

If you haven't already can you please let us know if you are expecting to play next year, we have booked for a maximum of 32 players but we need a more accurate guide on who we should expect to play regularly in 2016? If we don't hear or receive a response from you, in order to clean up the current data base we will remove your details from the distribution list.

## **Final results for Sunday Leave Pass Social Club 2015**

***Proudly presented to you by our  
Sponsor's for the 2015 season.***

As the season draws to a close we would like to thank the Sunday Leave Pass sponsors for 2015. Once again the major prizes for the 2015 Points champion and runner up as well as some of the Raffle prizes were supplied by James from Drummond Golf- Burwood.

If you are planning on ordering any golf stuff for Christmas from the family or want to get yourself a gift from Santa Clause, (its only 3& 1/2 weeks away folks) if you drop into the Drummond Golf- Burwood store and mention the Sunday Leave Pass Social Club they will see that you are looked after, although most of you are also now Drummond Club Members and therefore receive discounts as part of your registration.

We would also like to make special mention to say thanks to Dale Robinson who has been a long term supporter, player and sponsor via **DNR print** of the Sunday Leave Pass Social Club.

It's always important to remember who your sponsors within the social club are and to give them a referral or utilize their services if and when the opportunity ever arises. Dale has had an ongoing gentlemen's agreement with Sunday Leave Pass social club where any business he receives via club members or contacts he kicks a percentage back to the social club directly.

[Cheap Printing check out what's' available](#) don't forget to contact Dale if you need any Printing supplies for 2016. Please remember to support the guys in the club every chance that you get.

All of our prize golf balls are a direct result of a most generous donation negotiated by Peter Hutson through his work. This was an incredibly wonderful boost to the club and we should be most grateful for the effort Pete made to secure the cash commitment from his boss and we personally thank **THE WOOD TECH GROUP** for getting involved with the Sunday Leave Pass Social Club.

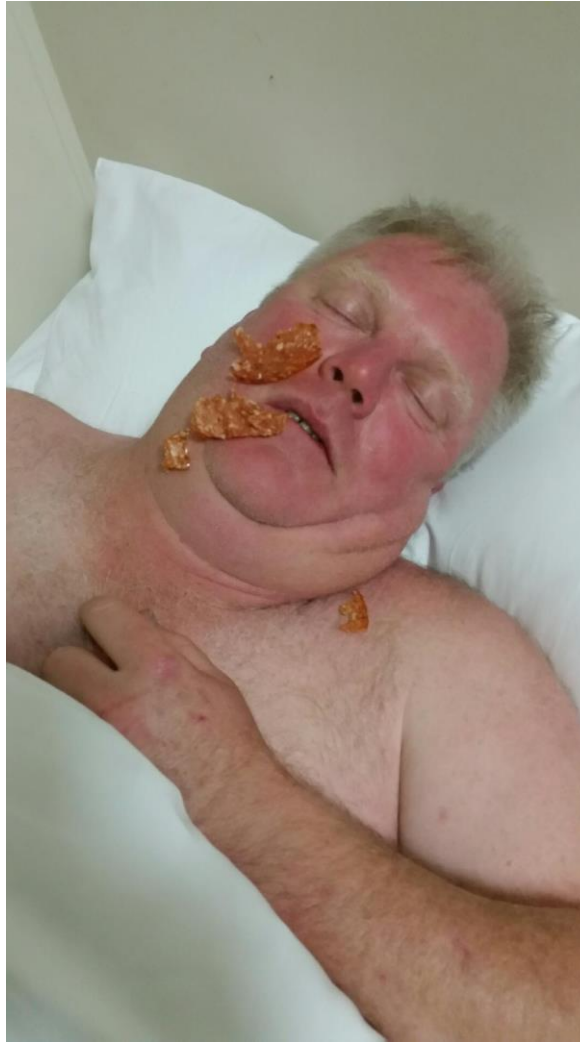

The Sunday Leave Pass Social Club has now been in action for over 12 years and over that time we have just about seen it all, just about anything that could possibly happen on the golf course good or bad has, at one time or another happened within the group. About the only thing missing from our highlights and low lights portfolio is a HOLE IN ONE. Geoff Cooper from Evergreen Winery Tours has been sponsoring the Hole in one prize for the last 6 years and according to the experts the probability of one of us hitting a hole in one is just about due. The chances of a social golfer having a hole in one is somewhere around 13000-16000 to 1. Over the last 12 years we have hit close to 14,298 shots in to par 3 holes but no one as yet has managed to get one exactly right. When someone does get a Hole in One, they will be lucky enough to win a winery tour for two people through the Yarra Valley courtesy of Evergreen Winery Tours.

Special thanks to David Burns who organized the BBQ for us on Saturday afternoon. Burnsie has been doing the BBQ for the last couple of years and there is a unanimous vote the quality of product is so much better than the BBQ's that I used to put on. Well done Burnsie.

We are hoping some other members might be able to get involved and do some sort of sponsorship if the opportunity arises. We are happy to plug your product or promote your business in return for some sort of commitment to the operation of Social Club. Please let me know if there is anything you can do to get involved.

**If a single photo could sum up the 2015 Rich River Golf trip it would have to be this one.**

**We couldn't work out why it was, but Undies spent the entire weekend red faced and with a chip on his shoulder. He even left early on Sunday during the Ambrose Competition. Allegedly he had a few chips that got close to the lip but never went in and then the final straw that broke his back was when he get caught out on a bare lie.**

# Rich River Golf Trip Results

## GOLF TRIP 2015

Given that as a rule I usually struggle to remember what happened on the golf tip anyway and since I have been locked away in a conference from Sunday afternoon until today. It is highly likely that the events and any memory of the 2015 golf trip have all been lost. As a result I will just tip in a few photos courtesy of Mick, Newell and Undies and update the facts and figures from the weekend rather than supply a detailed account of the activities from Rich River.

Congratulations to Dale Robinson who actually completed his 100<sup>th</sup> Round with the Sunday Leave Pass Social club.

Unfortunately for Dale, as was the case for Gerard last year the curse of the centenary game on the golf trip got the better of him and despite winning the 2015 points championship Dale was left to deliver the drinks having carded the worst score for the day. 107 Nett 90 and therefore he was a clear cut Beer Wench title winner. So bad was Dales round that his first shot from point blank range missed his banner, his ball was a near miss and it rolled through Ricks legs and disappeared into the bushes. The jury is still out as to whether Dale or Gerard makes a better looking beer wench, however Dale excelled in his role. By the time the Fine Jar cash ran out there was not a sober member of the social club. To his credit Dale was actually force feeding people drinks, he was even emptying the jugs into people's glasses just so he could go to the bar to get another one.

## WHO IS YOUR FAVOURITE BEER WENCH

2012 Dale Robinson

2013 Mick Harper

2014 Gerard MacIsaac

2015 Dale Robinson

We have been to Rich River for the last 3 years and we will miss it as a destination, certainly the Commercial Golf Course has a tough ask to compete next year with Rich River has been able to deliver. The Rich River east course is one of the best layouts for a golf course. The facilities are good, the food and club house area are first class and the golf course itself could not be faulted.

The golf trip went off without a hitch Everyone in the group had a fantastic time and there was plenty of love in the air.

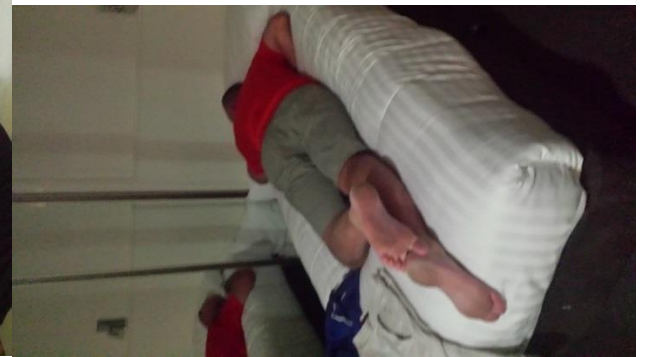

But then again there were the loners.

And the losers

SITTING WITH ALL MY MATES!!!!!!!!!!!!

HUHMMMMMMMMMMMMMMMM.

Not the sort of iron play you would expect to see on the golf trip.

But worst on ground performance for the golf trip was Highway who would disappear into his room 1 & ½ hours before we were due to meet for drinks and dinner. It was soon discovered that his mystery disappearance was so that he could commit the most finable offence possible in golf trip history. Newell was actually ironing his shirts.

According to some people, Newell did not even need to iron his shirts because he had so much hair on his shoulders, chest, back and stomach that he could have walked into the golf club restaurant shirtless and they would have just thought he was wearing a mohair sweater.

After revealing his hairy chest Newell was quickly stripped of his old Nickname “Highway” and he was renamed “Nature Strip in recognition of the small line of hair that runs up the middle of his midriff.”

The Champion **of Champions** competition was played off between all of the players who won a monthly competition during the year; the champion of champions is the player who has the best score from all of the monthly winners who attended the golf trip. This competition was played off over 9 mystery holes on the Saturday competition with the player who scored the most stableford points taking out the title and adorned the coveted winner’s jacket.

Ranking	1	2	3	4	5	6	7	8
Player	<b>Glen Douglas</b>	<b>Leigh MacIsaac</b>	<b>Leigh MacIsaac</b>	<b>Brendan Seagrave</b>	<b>Newell Richards</b>	<b>Rick Turcinovic</b>	<b>Ron Parsons</b>	<b>Dale Robinson</b>

Congratulations to **Glen Douglas** who was the overall winner of the Champions of Champions trophy with 20 stableford points. Douggo only just beat Leigh MacIsaac on a count back because he had a sensational last 2 holes finishing Par, Par.

Douggo showed little respect for the coveted blue jacket and hardly wore it for the entire night. Consequently he was still sober at the end of the night because everyone understandably refused to buy him a drink. Glen was last seen playing a game of pool with Esmerelda and Cecil a retired couple celebrating their 50<sup>th</sup> wedding anniversary. It appears Glen prefers to spend his time with people his own age rather than the cool group of blokes like those in Sunday Leave Pass.

Having won rounds in April, August and November, Dale had 3x entries in the Champion of Champions playoffs this year, however despite it being his 100<sup>th</sup> round, and having an unassailable lead on the seasons points championship trophy, Dale actually finished at the other end of the leaderboard. Dale finished with only 10 stableford points and was left to spend possibly his most defining career moment, running drinks to and fro from the bar as the designated Sunday Leave Pass beer wench.

Sunday is the day of sore heads and recovery and that is why it is structured as a compulsory Golf Cart and a pairs Ambrose golf tournament for the BEER & BEROCCA SHEILD. Leigh, Ron & Andrew won the title pretty much as soon as the groups came out, having all three in form golfers in the same group was a critical mistake by the chief organizers although Newell and SOS, and Peter Hutson and Steve Powne also scored exceptionally well and matched the Super team on Nett 69 only to lose on a count back. Tony MacIsaacs group started off on the front nine with a 38 off the stick, but they soon fell apart when Rob (Madam Butterfly) Underwood retired after nine holes. Interestingly Tony's group didn't start the day very well, especially since the best of their three drives on the first hole failed to get past the ladies tees and they then had to play their third shot from further back than Colin Ewart's longest drive marker. For poor old Dale it was a matter of Pretty in Pink all weekend and Dale also managed to lead his team into Beer Wench position for the Sunday Ambrose competition as well.

Ron Parsons made the trip to Rich River worth his while. As was the case last year Ronnie took home a swag of prizes. Ron was best on ground in the Friday Night Bare Foot Bowls competition, he also set an all-time record with 30 skins for the year to take home the skins trophy. And if that wasn't enough to make it a good trip away Ron also won the Eclectic stableford champion prize with an incredible 69 stableford points and he won a new wedge when his name was drawn out of the raffle.

Rumour has it Ronnie also pulled a few pennies out of the pokies and like the majority of the Sunday Leave Pass crew he finished with a smile on his face after jumping on and getting a good ride on Miss Cooper.

Skins Champs

Eclectic Champ

Toasting his success

Stu Coops definitely got his golf fix in for the weekend. After a disastrous 18 hole practice round on Friday when he was even beaten by Newell, Stu decided to get up early on Saturday morning before breakfast to iron out the obvious chinks in his swing.

After a hitting a perfect 3 wood down the first hole at 6am in the morning, Stu caressed a 9 iron to six feet from the flag stick. He was in the process of taking a photo of the perfect shot when the golf pro arrived to kick him off the course. Evidently the members were not too happy about people playing on the East course before their Saturday competition had started and therefore they dobbed him in at the pro shop. Stu had tears in his eyes as he was dragged off the course by the Rich River golf professional who would not even let him finish off the putt for Birdie.

Stu did manage to play another 9 holes on the West course before he fronted for breakfast and then joined the rest of the crew on the tee to see Dale hit off for his 100<sup>th</sup> round and then play another 18 holes in the official SLP comp.

For most people 27.66 holes of golf on a 34 degree hot day would be enough, but not for Stu who went out to play another 4 holes with Leigh, Gerard and Brendan after the BBQ and Raffle Draw. There is no doubt he would have actually played another 9 holes were it not for a call from work that meant he had to finish his golf off early to fix a few issues back home.

There was close voting for the Angry Man Award this year, Tony Grasso, Gerard, Grumpy, Supercoach and Andrew Clarke all polled very well and throughout the season they all put forward very good cases as to why they are good candidates for nominations for the angry man award, however for the fourth year in a row it was Rick Turcinovic who took home the trophy. Rick was as proud as punch to receive the acclaim. He was heard saying to someone, "I just love trophies I don't care what it is for I am just happy to have something to take home to show the missus. Apparently bringing home golf trophies reminds her of their first intimate moment which just happened to be on the ninth green at Morack so the chances of getting a bit of conjugal action increases when he arrives back home carrying a phallic memento as a prize from the golf trip.

Rick might get angry out on the golf course, but anyone who knows him can vow that he is all talk and no action. In fact according to his close mate, Dale, and as is supported by the evidence in the photo attached he is pretty much ARMLESS.

Rick might have been Armless but it was Steve Powne who was legless. Steve was lucky to make it dinner on Saturday Night after making the fateful mistake of joining Sos, Fitzy and Burnsie for a trip into town to go to the pub. The Smurf covered more ground from right to left than he did going forward. Watching Steve walk into the restaurant was like watching Stu Coops hit a golf ball off the tee, you just had no idea which way he would go next. To his credit Steve finished his dinner and nursed his drink till about 9.30pm before sneaking off to bed while no one else was watching.

On Saturday morning Brendan Seagrave hit his golf ball up a tree on the first hole, and by Saturday night he himself was off his tree. Grumpy was up for a big drinking session and celebrating his win in the 2015 putting competition, outputting Gerard MacIsaac with an average of just over 33 hits with the flat stick per round. Grumpy copped a big fine for his arrogance when even before his name was announced he came up to collect his prize. Brendan claims he was actually coming up to start collecting for the fine jar, but it was a strange coincidence that he walked up to the presentation area at that exact moment and his timing was so uncanny.

**Mick Harper Brides Maid again.**

Once again Mick Harper has run in 2<sup>nd</sup> place, the big fella continues to fall short of a season win. To make matters worse despite only finishing 5 points behind Dale on the points championship leaderboard Mick was also voted by his peers as the Least Improved player for 2015. Mick also won a couple of nearest to pins and the longest drive prize on Sunday but the loudest cheer came for his title as the least improved player for the year.

There was a happy moment for Dale Robinson. Dale has had a stella season in 2015. He won 3 monthly titles, clocked up his 100<sup>th</sup> round with the Sunday Leave Pass social club and was a deserved winner of the 2015 points Championship title.

Dale becomes the first player to win both the season trophy and the Beer Wench title twice.

Although Rich River was not the greatest golfing experience for him, Dale can still have great pride in his achievements in Season 2015.

As for the rest of the field and their golf, the final finishing place rankings on Saturday, Sunday and the champion of Champions were as follows:

**Winner for the day Leigh MacIsaac Won 3 Golf Balls.**

**Winner of the “BEER WENCH” award was Dale Robinson who shot the worst round for the day.**

The Social club runs as a neutral organization and all of the money we raise each year is spent on prizes and we start each year with basically a zero \$\$\$\$ bank balance. As was to be expected the fine jar kitty was drunk dry in the early hours of Sunday morning and the proceeds of the club activities which includes green fees, and beverage & merchandise sales were invested in the form of prizes for the end of year raffle draw. In total we had more than \$2000 worth of prizes to give away. The spoils were spread over more than 25 of our members.

The raffle is conducted by issuing every player a ticket for each round of golf that they play over the course of the year. If a player wears the Sunday Leave Pass Club shirt to the round they are given a second raffle ticket. We also run an 18x hole skins competition where every hole is worth one raffle ticket and a player wins raffle tickets for scoring a better stableford score than the rest of the field. In the skins competition whenever 2 or more players have the best score on a hole the raffle tickets carry over and jackpot until a unique hole-winner is achieved. Some players had some significant Jackpots through the year where they won 6 or more skins at the one time. This dramatically increases the number of raffle tickets a player has but at the end of the day the raffle all comes down to chance.

As a matter of fairness a player is only entitled to take home one prize no matter how many times their name is drawn in the raffle. A player is entitled to upgrade to a better prize if their name comes out again and the lesser prize is redrawn. In order to qualify for the Major Prizes a player must have played at least 6 rounds with the club or be in attendance at the Golf Trip to claim the prize.

Congratulations to all of the winners.

PLEASE NOTE: If you have won a prize and you were not on the golf trip to collect your prize please be aware that we will not be chasing you up. The prizes will be kept in storage until the end of the next season and if they have not been claimed by the winners by next season's golf trip then they will be added to next year's raffle. So remember that if you have won a prize you will need to drop me an email or call me to claim your prize

and arrange for your prize to be made available to you. If a player has not read the results email or checked up on the Sunday Leave Pass website then they will not be aware of their winnings and therefore not deserving of the prize.

Please make sure you let us know as early as possible if you will be playing in January as we will be hoping for big attendances each month and we have only booked for limited players. See you all out there again in January at Waterford Valley.
