| Double Hit                          | <b>\$2-00</b> |
| Putting ball on, back off the green | <b>\$2-00</b> |

Any other act performed on the course which is deemed to be deserving of a fine can be put to the group for a vote after the game.

**\$2-00** Maximum pay out is **\$10-00**.

Just a reminder that we are enforcing a late payment of golf fees fine. The payment for each month is due no later than the Thursday the week final numbers are due.

There were a few guys upset about being charged the extra \$5 for late payment but there is no excuse for late payment since everyone receives at least a minimum of two reminder emails and a text message prior to the due date. Players who fail to meet the deadline are charged a late payment levy of **\$5-00** on top of the original golf fee's. Anyone who finds it too difficult to make the EFT transfer on time is welcome to make a larger transfer and keep some money in credit for when they fail to make the payments on time.

## GOLF TRIP 2015

Please Note: We have booked the golf trip this year and we will be returning to Echuca, Rich River Golf course. The date of the golf trip will be **Friday 4<sup>th</sup> to Sunday 6<sup>th</sup> DECEMBER 2015**. The Cost is **\$330.00**. We have booked for 27 players (3 people per room) so please book it into your calendar and let me know if you are a definite attendee by Email [studaydream@gmail.com](mailto:studaydream@gmail.com) or the links here. [YES I want to take part in the golf trip this year](#) [No I will not be going to Rich River](#)

Potentially we may reach maximum numbers for the golf trip this year. If you are a definite starter let me know ASAP as bed allocations are done as first come first served and if we can't book any extra rooms it is just too bad for those who will miss out.

# Ringwood Golf Course Results

## September

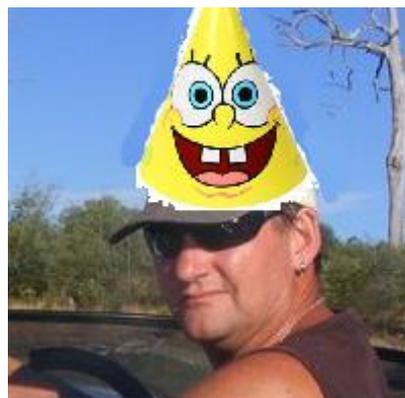

Even before the first ball was hit, the entire golf course was well aware that the Sunday Leave Pass boys were in town. If the blue shirts were not a big enough give away then the announcement over the pro-shop PA system was sufficient to let all and sundry know that we had arrived. As we stood on the tee there preparing to take on the Ringwood Golf Course there was a loud announcement to actually wish Steve O'Sullivan a Happy Birthday. We are not sure who put them up to it, the message allegedly came from Mrs. O'Sullivan although the chances are it may have been Mick or Gerard who had been at the course from 7-30am that morning enjoying a romantic hearty breakfast before the golf got underway at 10am.

They say, you know you are getting old when your eyesight starts to go. SOS's start to the day certainly proved that this hypothesis is a truthful reality. Having moved yet another year past the wrong side of fifty, SOS is finding his eyesight is starting to wane. Despite all of those teenage years ignoring his mum's warnings about going blind, SOS is starting to suffer the consequences of locking himself in his bedroom with a box of tissues and a picture book. A blatant air-swing on the first tee started his scoring account and opened the fine jar for business with the first shot (or miss) of the day. After missing the ball by a full 3 inches SOS recovered quickly and by the end of the day he was celebrating his birthday in style having won Nearest to the pin on the third hole, twelfth hole and also claiming the longest drive title. Steve hit a cracking shot into the par 3 third hole, his ball finished only a couple of feet from the cup and he made the easiest of tap in birdies as the reward for such a brilliant shot although it could have been even better because in the air the ball looked like it was going to finish in the hole for an ace.

SOS wasn't the only one to hit a good shot into the green on the third, Big Mick played a bomb which ordinarily would have won him the NTP prize nine out of ten times. Stu Coops also hit the green and even Highway hit the green even if it was with his third stroke.

SOS finished his Birthday round of golf wearing the yellow jacket and also his special matching Birthday hat which according to some of the photos we found he takes out for a run on a regular basis.

SOS could only have looked more fashionable if he had of borrowed Slinky's pink socks and sandals as his foot attire. Slinky was fined \$2 for wearing pink socks and black sandals.

At least Slinky has enough Kahuna's to be a man and wear pink, Andrew Clarke was fined the maximum value of \$10 after he failed to complete his round wearing the Beer Wench vest. Andrew Posted the worst score at Werribee last month and was therefore issued the penance of wearing the pink vest at Ringwood. Andrew only lasted 4 holes in the vest before he took it off blaming the hot weather as his excuse to rid the additional garment. The heat didn't seem to affect him when he later wore the three putt monkey vest for 4 holes after 3 putting the 13<sup>th</sup> hole, during an even hotter part of the day. Apparently Andrew took offence to having to explain to other golfers out on the course why and how he came to be wearing the pink vest, and that is why he dished it as early as he could and blamed the weather as a viable excuse. A very soft effort we must say.

There was some very impressive golf played at Ringwood, Big Mick shot one over par 36 on the front nine including 3 birdies, one of those being a 2 putt birdie after he hit his second shot on the par 5 fourth hole onto the green giving him a genuine eagle chance. Unfortunately Mick then gave 10 shots back to the golf course on the back nine and therefore his round didn't quite finish the way it could or should have.

Gerard MacIsaac played a consistent standard of golf and his 9 hole scores of 38 and 38 (76) were easily the best for the day and ultimately he came with in fingertip reach of claiming yet another Sunday Leave Pass title.

The course played relatively easily and Stu Coops chirped in with a couple of birdies including a couple of outside eagle chances on the 6<sup>th</sup> and 9<sup>th</sup> holes although putting from off the fringe of the green doesn't really count as calling the eagle putts.

Phil Plane scored brilliantly breaking the century mark for the third time in his Sunday Leave Pass career. Geoff Cooper, Rick Turcinovic and even Highway were all in the low 100's. Given the quality of the scores it took a spectacular round to get the 15 championship points.

Dale Robinson would have been in the hunt for another win except that he crashed and burned on the 18<sup>th</sup> hole. The prospect of winning concurrent monthly titles or the fact that he had to endure 17 holes with the Supercoach yapping in his ear all of the way was all too much for Dale and he choked and scored one of the few Newells (score of 10 or more (Dale had an 11)) on the last hole.

Interestingly Highway (Newell) didn't actually have a Newell for the day. This was only the second time in his golfing career that he has gone a complete round without notching up double figures at least once. It should be noted that he had golfed every day except for Saturday for the week leading up so his swing should have been in a pretty good place. In fact when we went into the pro-shop to collect the scorecards, the guy from behind the counter actually greeted Newell by name and said "good to see you here again," so the reality is Newell must have spent a fair whack of time getting to know the course in advance. The practice has

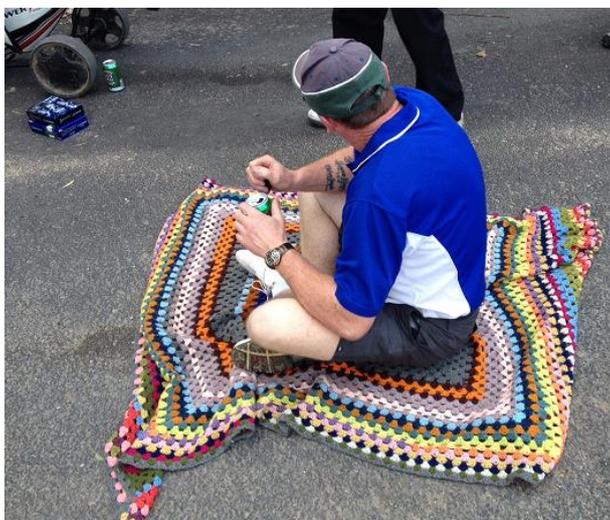

paid off as he hit 102 Nett 68 and almost drove the green on the par 4 ninth hole. Unfortunately his ball landed pin high in the green side bunker and he managed to skinny his ball across the green, hit a shank with his chip shot, and turned a certain par into a triple bogie in the blink of an eye.

Colin Ewart also came close to having an eagle, however his eagle attempt on the 7<sup>th</sup> hole lipped out from 160 meters. Colin hit the perfect drive straight down the middle of the fairway and then he followed that up with a sweetly struck 6 iron which from the moment he hit it was always on target for the flag stick. Colins ball actually slam dunked into the back of the cup, and then bounced out sideways and ran back off the green. For those people who often question the information posted in the blurb as being the less than the truth we have included a photo of the pitch mark where Colin's ball hit the hole. If you look close enough you can actually see the dimple marks pattern in the soil.

Congratulations to Breandan Seagrave who was in a happy mood after carding the remarkable score needed to win the monthly title. Grumpy had a great score, 83 Nett 63 which gave him the September title and 15 Championship points. Interestingly he was still fined \$2 for kicking his club away in frustration, which was quite bazaar given that he played so well all day and he actually only played one bad shot for the entire round and still managed to throw a hissy fit. No wonder his friends and enemies call him Grumpy.

When asked what was the secret to his new found form Grumpy referred back to the cinematography masterpiece "Happy Gilmore" and told us that he had found his Happy Place. Evidently Grumpy is Happy when he is sitting on his grandmas crocheted blanket meditating with a beer in his hand and his golf is also better for it.

How Brendan will go next month will be an interesting test, as Stu Coops actually stole the blanket from the back of Grumpys car and was last seen meditating with Red Dog hoping that just for one Sunday after golf he would not end up in the Dog House after putting away a few to many cans and coming home too late and in an incoherent state.

With so many great scores it was a difficult task to feature at the top end of the leaderboard. Grumpy in his happy place was the best performer shooting a score of 63, Gerard was unlucky to only finish in 2<sup>nd</sup> place with a score of 76 off the stick. Highway continues to feature in the top three places, so we are hoping the handicapper starts to get into him based on the number of rounds he plays rather than the number of shots he plays. Phil Plane and Stu Coops shared a 69 together and Geoff Cooper and Tony Grasso both finished with Nett Par 70 and found themselves ranked in 6<sup>th</sup> and 7<sup>th</sup> position respectively.

- 5th Hole** Brendan Seagrave
- 8th Hole** John Mea
- 12<sup>th</sup> Hole** Steve O'Sullivan
- 17<sup>th</sup> Hole** Gerard MacIsaac
- Longest Drive** Steve O'Sullivan

**Reminder**

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

## Golf Balls are owed to the following people:

### REMINDER HOW 3 PUTT MONKEY GAME WORKS

\*As part of the putting competition this year, as a brainchild suggestion from Paul Blizzard we have introduced the Three Putt Monkey game. At the start of each round every group will be given a flouro yellow 3 Putt Monkey vest and whenever a person has a **3 putt or worse** that player must put on the 3 Putt Monkey Vest and wear it until another player in the group has a **3 putt or more**. The player wearing the 3 putt Monkey vest at the completion of the 18<sup>th</sup> hole will be required to chip in an additional \$2 into the fine jar. If multiple players have a **3 putt or worse** the player who was last into the hole wins the vest irrespective of whether the other player before them had a **3 putt, four putt or even a seven putt**. The furthest player from the hole should always putt first on the green and that player is deemed as in control and therefore has the option of marking their ball if they miss the putt or putting out. If they chose to putt out and then the following person three putts then the last person to putt out gets the vest.

Handicaps were adjusted with brazen disregard, Adam Cooper was issued an extra half a shot even though it was only 2 rounds ago he finished with a Nett 58. Andrew Pugh has been given 2.3 shots for next month, Greg Parsons, Slinky and Stuart were all given a boost and while the handicapper is finally starting to take chunks out of Highways handicap he is reallocating them back to Colin Ewart.

## HANDICAPS

The changes to player's handicaps are as follows:

**BOLD RED NUMBERS-** refer to players whose handicap has gone out

**BOLD GREEN NUMBERS-** refer to players whose handicap has come in

**BOLD BLACK NUMBERS-** refer to players whose handicap has remained unchanged

**NON BOLD NUMBERS-** refer to players who didn't play this month so handicap has not changed

# A word from our sponsors

\*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through *DNR print* via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

*Evergreen Winery Tours*

*Yarra Ranges Wine Regions*

Sponsored by

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary

Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")  
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
