**SUNDAY LEAVE PASS 2007**

**Please note that we still have a problem with the bar running short. If you drink a beer after the round you need to pay \$2-00 for it.**

## Werribee Park Results

Season 2007 is up and running and despite the long weekend we still managed to get 19 players at Werribee Park. It was good to dust off the golf clubs again. It appears that there were plenty of sets that hadn't been touched since they were taken out of the car after the golf trip and for some people the golf represented that too. Then again for some other player's the Christmas break has done wonders for their golf and some excellent scores were posted.

Darren Higgs who openly admits to practicing right through the holidays, hit the lowest score for the day, he shot 5 pars and a birdie for a score of 88, Nett 70. Darren was lucky enough to tip out Fitzy who despite not having played since November played the round of his life, he sank a 30 foot birdie putt on the 17th hole and made a few Pars on his way to a 2 under par Nett 70.

Stu Coops and Daniel De Marinis were both close to the top but wayward putting and poor chipping meant that they fell short. Brunto who is determined to lose the "Worst improved title" for 2007 finished in the top 5, he scored 6 championships which is more than he had won up until May last year.

Ron Parsons armed with the new driver that he had won in last years skins raffle draw, produced his best place finish with the Social Club with a round of 106. When asked how the new driver went Ron said "I'm in love for the second time in my life. I am taking it home and sleeping with it tonight, and if my wife doesn't like it she can sleep on the couch!"

Results were as follows:

Winner for the day Darren Higgs on a count back over Mark Fitzpatrick.

We didn't have the prize balls on Sunday so we will hand all of the prizes out before the start of next month.

Prizes balls are owed to the following people:

Graeme Herft	6x Balls	winner of Golf trip ambrose competition
Simon Dowson	6x Balls	winner of Golf trip ambrose competition
Graeme Herft	2x Balls	Nearest to pin on 3 <sup>rd</sup> and 15 <sup>th</sup> holes at Werribee
Gerard MacIssac	1x Ball	Nearest to pin on 17 <sup>th</sup> hole at Werribee Park
Peter Bennett	1x Ball	Longest Drive on the 9 <sup>th</sup> at Werribee Park
Darren Higgs	3x Balls	Winner of the round at Werribee Park

Results were as follows:

When players finish with the same Nett score the points distribution and place rankings are calculated using a formula that takes into consideration the players score on the back nine holes, this compares the total Stableford points scored on the back nine and then works backwards from the 18<sup>th</sup> hole until an outright winner is found.

E.g. Mark and Darren both had a Nett score of 70 and both scored 21 stableford points on the back nine, however Darren scored 3 points on the 18<sup>th</sup> hole with a par whereas Fitzzy had a bogey and scored 2 points, so Darren finished with the higher ranking.

#### Reminder

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

Dale was unlucky not to take out the longest drive he had smashed on long and straight drive down the middle of the fairway but he was knocked off by the last player of the day. Despite not winning the prize Dale was able to get a bit of a chuckle out of the fact that after hitting a 250 meter drive, PB took a further 8 shots to travel the next 150 meters.

As always "SKINS" were distributed to those players good enough to win a hole outright. If more than 1 player got the lowest score on a hole it is Jackpotted until an outright winner occurs.

Skins won at Werribee Park were as follows:

1	Jackpot
2	Jackpot
3	Jackpot
4	<b>Mark Fitzpatrick</b>
5	<b>Daniel De Marinis</b>
6	Jackpot
7	Jackpot
8	Jackpot
9	<b>Matt MacIssac</b>

12	<b>Dale Robinson</b>

Even before the first group hit off, there was talk that a few handicaps may need adjustment. Dale & young Matt MacIssac had been playing regularly over Christmas and had been scoring lower than the handicaps.

These guys failed to live up to their expectations on the day, however sub par rounds from Fitzy, Darren and Stu Coops meant the handicapper was able to sharpen the pencil and make some downward adjustments to a few handicaps.

Ron, Daniel and Jamie had scores within the buffer zone, so their handicaps remain unchanged and everybody else gets another 0.1 shots to try to help them to score better next month.

Next month we are playing at Ivanhoe. For those that have played there before you may remember that Ivanhoe is a short course and it usually produces some excellent rounds of golf. Hit off is at 10am.

Please aim to be there at least 15 minutes before to allow us time to get everybody organized and to workout the groups for the day. For information on how to get to the course you can log onto their website.

<http://www.ivanhoegolf.com.au/>

Please confirm your attendance by replying to this email using the hyperlinks provided. We are hoping to get a full field to most of the courses this year, so it is vital that you let us know as early as possible if you will or won't be playing. We have booked for 24 players each month and if we have more than 24 players then there is no guarantee that that the course will be able to accommodate the extras. Bookings will have to be done on a first in first served basis, to ensure a placement it is best to be a permanent "yes player" by confirming that you are a definite starter unless you advise us otherwise.

We are currently in the process of getting the seasons fixtures printed and laminated. They will be available and will be distributed to everyone next month. As you can see there have been a few changes to the courses that we are playing, hopefully everyone will find the new courses enjoyable.
