The club has pretty much reached capacity as we have only booked tee times for 32 players for each golf course for the year so it is vitally important to confirm your status for each month as early as possible. At the bottom of this email every member has been marked as status unknown and it is your responsibility to send us a message to say if you are in or out. Until we receive a text message, email or phone call you are not guaranteed a spot. We cannot promise we can accommodate more than 32 players so it is a matter of first in first served and the earlier we get numbers the better the odds of contacting the course to try to get an extra few spots if we need them.

Werribee Park Golf Course Results

August

It is not every day a player racks up 100 rounds with Sunday Leave Pass Social club. Last weekend Greg Parsons joined the group of insane players who have braved the torment and humiliation of hitting the little white ball around the paddock with the SLP social club on 100 separate occasions.

[Click on Link to see Greg's Stats](#)

It was an overwhelming and daunting experience for Greg who, as he stood in front of his banner was confronted by the knowledge that he was about to face the course of which he had posted his worst ever score. A hooked drive under the base of a tree, followed by a lost ball in the pandanus grass and he was on his way to trying to post a higher score than the 126 shots he scored in 2008. With an 8 on the first hole and then a lost ball on the second hole resulting in another eight on the scorecard and he was tracking perfectly to break his record. If we disregard his par on the 3rd hole after a lovely 5 iron to the middle of the green, we then have more space to talk about the 13 shots it took Greg to complete the par 5 fifth hole. With 32 strokes from only 4 holes, four lost balls to his name the score of 126 was suddenly looking in well and truly range.

Fortunately, when word got out that Highway had posted a Newell (score of 10 or more) on the first hole and then had scored even worse than Greg, with a 15 on the 4th hole things took a turn for the better. From that moment on things were a bit more smooth sailing and Greg became a lot more relaxed and he enjoyed his 100th round adding a further 4 pars to the 182 he has

scored over the last 13 years. Although the damage was already done on the score card Greg managed stay out of last place and carded 113 beating Newell by 14 strokes.

Sadly the closest battle for the day was not the battle to be the best but rather the battle to wear the Beer Wench vest, the monthly title winner was easily set in stone after Leigh hit a score of 85 Nett 69, so the interest was more on who would come last. Stu Coops hit 102 off the bat and was a strong contender for last spot, Todd Neilson had so much fun in pink that he did everything within his power to be able to go back to back beer wench.

Mark Fitzpatrick, Greg, Jamie and Colin all represented themselves poorly however no one was good enough (bad enough) to beat the serial wench "Highway" who carded 2x Newell's (score of 10 or more) a Newell and a ½ (15) and a nine on his way to 127. Unfortunately for us, Newell will be away next month so we won't have the opportunity to see him in the pink vest but luckily we have plenty of stock shots from previous occasions and we can almost guarantee it won't be the last time either.

Dec 2014

July 2014

Mark Fitzpatrick was out to impress after a long layoff, out of the game. Fitzy is always a consistent player who has the skills and technique of a single marker but has the commitment of an arranged marriage Jihadi bride. Fitzy came prepared sporting his own caddy, and he was determined to show his son Jackson that the old man still had what it takes to be called an athlete. Tragically it didn't go according to plan. After having three mishits down the first hole Mark finally get one in the air, but it was already too late because Jackson's first words of advice were **"finally Dad you hit a good one."** The comments and ridicule haunted him throughout the day although the lowest moment for Mark was when Jackson played a shot on the longest drive hole and hit it further than his old man, to make matters worse his beloved son turned to Mark and said **"That's how you do it Dad, I'm better than you, so why don't I finish the round and you can carry the bag for me."** Needless to so the promised stop at McDonalds on the way home never eventuated.

It's a pity Jackson wasn't caddying for Slinky cos with those keen young eyes he would have been able to identify the correct ball. Slinky was penalized after he accidentally hit the wrong ball. Somehow he managed to mistaken Mick Harpers Srixon 3 with orange dots all over it for his own ball a Yellow Maxfli Noodle No# 1.

Admittedly Micks ball was on Slinky's fairway at the time. Mick had an erratic day with the driver, he only hit the correct fairway four times for the entire day and his most accurate shot if he was actually aiming (which he says he was) was his drive down the fourth which ended up on the fifth fairway but it just missed Stu Coops who had to dive roll for cover to avoid being hit by Micks ball on the way through.

Popeye alias Will Fernie had the guys in the group in front of him diving for cover on a regular basis. Will blasted his way around Werribee Park needing only his driver, a wedge and his putter to complete most holes. Like a true sailor he was able to steer his ball with precision to set it up in perfect position almost every time. On the 14th hole a 440 yard Dog Leg par 4 Popeye shaped his Callaway 2 out towards the river with just enough draw on it to catch the wind so it tacked back through the trees and finished only 90 yards from the front edge of the green. That's a 320 plus meter drive folks. Good luck winning a Longest Drive title over the next few months everyone.

Will would have easily won the Longest Drive hole on the ninth were it not for a poor hole selection. At 300 meters from the tee box,, the fairway narrowed in and took a slight turn which meant Popeye's perfect straight drive down the middle of the fairway actually bounced into the rough disqualifying him despite being 72 meters further in front of the eventual winner.

Having recently retired from his job, Leigh MacIsaac has reinvigorated his golf game. Leigh now has the spare time to play golf on a daily basis and he has invested his superannuation payout into a Maroondah golf pass membership which entitles him to unlimited golf and this means he can join Newell for his regular three practice games each week plus Leigh also has the time and commitment to fill in the extra days with a solo round at Ringwood or Dorset as well. All of the extra practice in Leigh's case is paying off. He shot Nett 69 to win at Werribee Park and the future looks even brighter now that he has discovered that Popeye (Will Fernie) is also a Maroondah golf membership holder. Everyone be warned once those two start practicing together, look out.

Andrew Clarke has consolidated and even improved his position at the top of the point's leaderboard. A solid round hitting 14 out of 18 fairways enabled Andrew to post a strong score and finish again in the top five. Andrew is now 13 points ahead of his nearest Rival with just 4 months to go. It's little wonder he is suddenly walking around with a bit of a swagger and believe it or not even a smile on his face. At the start of the year Andrew was odds on favorite for the angry-man title and now suddenly in August he has a grin from ear to ear.

2015 Angry Man

2016 Happy Man

Perhaps Andrew's good humor might have stemmed from the sign that Werribee Park had at the half way hut which couldn't help but give us all a bit of a laugh. As you all know Werribee is famous at the EPA for its unique aroma which is derived from the local water treatment plant. Wandering down the 6th and 10th holes you couldn't help but gag as the smell slammed into your sinuses. Whether the smell comes from the river or the Werribee sewage farm cannot be proven but we did find it a little strange that the locals have bothered to hook up the drinking bubblers to it and then posted signs advising you not to drink from them.

Congratulations to Chris Sfiligoj who excelled on the putting greens while others struggled to hole a putt. Chris went out with 12 putts and came back home with 15 for a career best putting total of just 27 hits with the flat stick for the day. 10 one putts and a single 3 putt is a commendable effort.

Congratulations to Leigh for a very impressive Nett 69. Gerard MacIsaac carded 3 birdies and lipped out for several others. His score of 80 was the lowest Gross score and the reward was 14 championship points for a second place finish. Steve Powne was in rare form breaking the 100 barrier convincingly and therefore Steve finished in outright third place. Andrew Clarke has suddenly got a smile on his face and a spring in his step as he moves out further out on top of the championship leaderboard

Popeye (Will Fernie) is powering his way up the points tally. Will now has an official Sunday Leave Pass handicap albeit a very generous one. Having played with him the handicapper is convinced he should be down rubbing shoulders with Gerard, Mick, SOS and Cliff.

As a new member of the Social Club the Callaway Handicapping system is used to give the player a daily played to handicap for the first couple of rounds. Once they have played 3 rounds they are given a temporary club handicap using the original AGU handicapping system. After 5 rounds they are then switched across to the current slope handicapping system.

Add or Deduct from handicap

This system is used for determining fair allowances for social golf events that attract novices or occasional golfers. A player's Callaway handicap is determined after each round by deducting from his/her 18 hole gross score the scores of the worst individual holes during the first 16 holes of the round.

In the computation of handicaps under this system:

- No hole may be scored at more than twice its par,
- half strokes count as a whole,
- the 17th and 18th holes are never deducted,

For example if a player scores 99 on the day their handicap would be calculated as the sum total of their (3 worst holes) +1

If a player scores 82 on the day their handicap would be calculated as the sum total of their (worst + ½ the 2nd worst hole) -1

If a player scores 120 on the day their handicap would be calculated as the sum total of their (five worst holes) +2

After 3 rounds they will be allocated a temporary handicap using the old AGU handicapping formula and then after 5 rounds they are elevated onto the official Slope handicapping system which was use thereafter for all club competitions.

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
