We are looking to try something a bit different. Our sponsors Drummond Golf Burwood have offered to put on a member's only night for Sunday Leave Pass players. It would be good to get some expressions of interest to see whether people would be interested in attending such a night as this as we would need a certain number of starters in order to run the event.

It would be held after closing hours one night at Drummond Burwood on a day of our choosing and they would put on some Drinks and Nibbles for us and set up the video simulator so we can have a couple of nearest to pin competitions etc. They would also have some special offers specifically for us on equipment and apparel so if you are thinking about upgrading your equipment or wardrobe it might be worth waiting to see what sort of deals they have on offer.

Any feedback on this concept would be much appreciated, obviously they are doing it in the hope that some of us part with a bit of coin and purchase some goodies on the night.

[Yes I would attend a Sunday Leave Pass Members invitation night at Burwood Drummonds](#)

Werribee Park Golf Course Results

June

It was good to see that Peter Hutson was able to drag himself away from the celebrations to join us for a round of golf. For the last week Peter has been up to his ears in festivities as he has been celebrating the most momentous occasion of his life. It was 12 months ago almost to the day that Peter's life changed forever and for the better. Although he has said it 365 times (once a day) since that magical moment it has been 12 months since Peter uttered those famous four words for the first time "I BOUGHT A JEEP". Apparently Pete had a special "I'm a star cos I bought a jeep" fancy dress anniversary party to celebrate the occasion and he even baked a special cake. Unfortunately none of his golf mates got a guernsey but rumours are it was an awesome bash.

What isn't known to most people yet because he hasn't brought it out to play yet is that Pete also recently added a baby jeep to his expanding jeep family. The Jeep obsession is such that Peter invested in a motorized remote control Chrysler Jeep Cherokee golf buggy. Unfortunately he couldn't get it to Werribee Park because evidently it turns out the beloved Mamma Jeep doesn't actually have big enough boot space to fit the buggy in, but he is very proud of his latest investment nonetheless and he is only too happy to tell anyone willing to listen to him that he "Bought a baby jeep"

The motorized carts are becoming a common scene around the golf course with Big Mick, Andrew Clarke and Lukey Chacksfield all investing in the trend introduced by Geoff Cooper a couple of years back. Whether the buggies improve your game is yet to be proven but we will watch on with interest over the next 12 months to see if these guys get any sort of unfair advantage by conserving their energy during the round.

The only sure way to improve your game is to work at it regularly, invest in it and practice hard. Gerard MacIsaac has been at the top of the leaderboard of Sunday Leave pass competitions for pretty much 10 years continuously. Gerard has won the Season Championship multiple times, so much so that his wife has developed a fetish for the Blue Jacket. Our archives show that Gerard's name has appeared on pretty much every one of the different Sunday Leave Pass trophies and he has never been beaten on the best putting competition in the 3 years that it has been up and running. Gerard's success is not luck and there is no coincidence that Gerard works hard on his golf swing and practices very regularly. Drop into his office any day to see him and invariably the staff can't find him because he will either be on the putting green, at the driving range or out on the golf course somewhere. We could all learn a lot from Gerard and some of our members have taken him up on his offer of advice and most of them are flourishing in his mentorship. Take Highway (Newell Richards) for example who under the Gerard MacIsaac golf academy is improving every

month and he is therefore becoming a more competitive force especially with the very high handicap that that we are starting to regret ever giving to him.

NEWELLS Back Lawn

It seems practice does lead to improvement. Highway has come a long way since that fateful round at Kingston links when he actually scored 169 and had a 17 on a par 3 hole.

This month at Werribee Park Newell had a run of two successive pars and finished inside the top 15 for multiple points for the first time ever and Highway showed a level of competency with the golf clubs that previously seemed unimaginable.

The proof is in the scorecards and evidently all the lessons and practice swings have been fruitful for the golf skills if not for the backyard lawn which has turned from a manicured MCG like surface to a pock marked green moon crater landscape.

Admittedly Newell has racked up over 100,000 frequent flyer points at the Morack driving range and has taken out a second mortgage on the house to pay for his regular visits to the pros.

There was a bit of tension at the Richards household recently when credit card statements started showing weekly visits to a variety of venues for inter-course liaisons. It wasn't until Highway was able to prove to his wife Sarah that the sessions with the pros at MGA, Morack and Wattle Park were actually golf related and he hadn't suddenly turned into a desperate nymphomaniac.

In his own quest for personal development Trevor unveiled his secret weapon. Trevor pulled out the super high tech DOT PLX putter to try to alleviate him from his putting woes. Trevor has always struck the ball with the precision and prowess of a single mark handicapper but then he squanders his scoring opportunities with the putting skills of a 2 year old chimpanzee swinging a wet tea towel. Although the DOT PLX putter didn't elevate him to instant mastery with the flat stick, he did manage to sink a couple of 1 putt greens and for the first time in eighteen rounds he actually had less than 40 putts for the day.

Stu Coops is the ultimate encouragement for anyone who has ever struggled with the flat stick. For the past 11 years Stu has struggled with the putter but this year however with the guidance of the DOT PLX putter practice sessions he has suddenly become the number one putter in the social club. Stu is averaging only 30 putts per round and his worst putting score for 2014 is 33 putts and this month at Werribee Park he was in sensational form with the flat stick completing the entire 18 holes with only 26 putts.

Big Mick needn't have bothered carrying the putter as he was hitting his approach shots straight at the flag stick. Mick nearly chipped in for eagle on the par 5 eleventh hole when his ball bounced off the flagstick and then his chip on the next hole also lipped out for birdie after it rolled straight over the side of the cup.

Phil Plane also managed to hit the ball very accurately. Phil described the Par 3, 8th hole as the best hole that he has ever played in his Sunday Leave Pass golfing career. Phil hit a perfect hybrid club off the tee which flew high and straight at the heart of the green, unfortunately the ball flight was impeded by a severe head wind and the ball just caught the top lip of the bunker directly in front of the hole. Undeterred by the unlucky outcome of what was otherwise a brilliant shot Phil waded into the bunker and splashed out a perfect flop shot which lifted the ball out of the sand onto the top of the flag stick where the ball then dropped straight down the pole, bounced off the lip of the hole and came to rest only six inches from the cup setting up the easiest of tap in Putts for par. Unfortunately the Par didn't yield him a bag of skins as the hole

was Jackpotted but with three perfect shots the 8th hole at Werribee Park will be long remembered as one of his all-time favourites.

Hitting your golf ball into things appeared to be the order of the day. Ben Nichol skinned his pitching wedge through the second green and then his golf ball careered into the bags of the players in the group in front. Ben's ball ricocheted off a retaining wall before smashing into not one, not two but three golf buggies parked next to the tee.

Shane Cumming used outside assistance to stop his shanked golf ball from running out of bounds into the adjoining polo club. Shane's ball was making a direct beeline for the fence when it collided with the 150 meter marker and bounced back out onto the fringe of the second fairway. Shanno also came unstuck on the ninth hole when he got his golf swing too close to a hazard marker. He claims it was an accident and says that the impact just occurred during the process of normal play but anyone who bends their golf club by wrapping it around a metal hazard marker gets elevated high up on the voting list for angry man nominations.

Slinky hit his drive into the monument wishing well on the 18th hole. Phil Plane hit a wayward drive from the 18th hole which disappeared down the crevasse and came within meters of clonking the players in the group playing on the 16th tee on the head.

SOS actually managed to hit Greg Breasley flush on the leg when he hit up on the group in front before they had cleared the green. El Presidente was piecing together yet another good score and became increasingly impatient when the group in front were playing slow golf and therefore holding up play. SOS fired off a warning shot with a six iron to try to give them all a bit of a hurry up but the plan backfired because despite everyone calling "fore" at the top of their voices Greg Breasley was not able to get out of the way quick enough and the Titliest 2 smashed into Greg's shin bone at full pace. Hitting Greg did not have the desired outcome because the speed of play suddenly slowed down even more, as Greg was required to limp home over the last four holes with a bruised leg with a swelling hematoma the size of an egg.

Although SOS took out Greg Breasley he was probably better off setting his sights on the ex-president Stu Coops who after about 6 years in the doldrums is having a very good season in 2014. Stu has suddenly worked out that playing with the one golf ball for 18 holes eliminates the 6-10 penalty shots per round that come with losing golf balls on every second to third hole and therefore the scores at the end of the day suddenly look a whole lot more respectable. Stu was only just able to keep his nose in front of SOS at Werribee and therefore claiming his second monthly title for the year with Nett 72. Scores were all tied at Nett 72 but Stu ended up beating SOS on a countback with 20 stableford points on the back nine holes compared to El Presidente who had 18 points.

Slinky however is the player of the season so far. From just three rounds this year he has accrued 41 championship points. Slinky's average place position in 2014 on the Wood and Spoon rankings is 2.33. He has had two runners ups and a third place and he sits in 4th spot on the players point championship ranking despite only playing three rounds for the year. Who knows a few more good finishes and he might end up as a last minute entry to the end of year golf trip so that he can collect the season championship trophy.

Karl Winters has qualified for an official Sunday Leave Pass handicap and in doing so managed to play his best round yet which resulted in a very healthy fourth place finish with Nett 75, Karls score was equal with slinky but he lost on a countback.

As is to be expected during the colder wetter Winter months the single handicap markers are working their way to the top. Big Mick shot the equal lowest gross score for the day with 84 off the stick and Gerard hit 88 which by his terms is a bad day but was still adequate to score him 9 championship points for a 6th place finish.

Peter Hutson, Andrew Clarke, Trevor Adair and Tony senior rounded out the top 10 with Nett scores in the low 80's and then the field spread out right back to the Beer Wench position that went to Dale who failed to

live up to his usual high standards and had a disappointing 117 Nett 98, ironically he did win the longest drive and claimed the nearest to pin prize for a good shot into the very difficult par 3 seventeenth hole.

A noteworthy mention goes to Newell (Highway) who has surprised all around him by elevating himself out of his permanent Beer Wench position and posting a score good enough to get him a top 15 finish. In fact Newell ended up in 13th spot with Nett 84 which, is a remarkable effort considering that just 3 months ago he had never broken Nett 100.

Longest Drive **Dale Robinson**

Golf Balls are owed to the following people:

Stuart Cooper x3 Winner at Werribee Park

Reminder

The ball must be clearly on the CUT surface of the green or fairway to win NTP or longest drive. If it is not on the fairway it doesn't count.

Each player won 1 ball each.

PLEASE NOTE: This year the monthly winner has the option of exchanging the number of balls owed to Raffle tickets for the end of year prize draw.

Just a reminder that for every round you play you are awarded a raffle ticket to go towards the end of year raffle, then extra tickets are issued if you wear the official club shirt plus extra tickets can also be won by winning a hole in the monthly skins competition.

“SKINS” were distributed to those players good enough to win a hole outright. If more than 1 player got the lowest score on a hole it is Jackpotted until an outright winner occurs.

Congratulations to Karl Winters who has played three rounds with the club and has been given official Sunday Leave Pass Handicap of 28.0.

Most of the field was left with their handicaps unchanged although Mick Harper, Andrew Clarke, Peter Hutson, Phil Plane & Shane Cumming have all be given some extra shots for the very difficult course at Rosebud. Big Mick is on the march out and may become dangerous if the handicapper lets him fall outside the single figure handicap which he is so obviously meant to be.

Stu Coops and SOS have both been docked 0.4 shots to reign in their run of good finishes during the 2014 season.

.Colin Ewart has obviously bribed the handicapper since he has gone out from 28.2 to 35.3 have moved onto the slop handicap scoring system after completing his fifth round with the social club.

A word from our sponsors

*Once again we welcome DRUMMOND GOLF back as our major sponsors to the social club again this year.

PLEASE NOTE: All of the long term members of the Sunday Leave Pass Social Club will be registered as lifetime members of the Drummond Club. This membership has been heavily subsidised by Drummond- Burwood and the social club will be paying the balance. Drummond Burwood has been our prize sponsors for the last three years and as a lifetime member you may receive information and promotions about offers and special deals available to you.

For information on the Drummond Club you can click on the following link to find out more information but there is always an opt out option available to you at any time.

This year we also have been lucky enough to have Peter Hutsons' company jump on to the Sunday Leave Pass band wagon. We thank "Wood Tech" from the bottom of our hearts as they have generously sponsored the club for the cost of our golf balls. This of course is on the condition that we promise to spread their branding across the state, which shouldn't be hard as we regularly lose golf balls around all 4 corners of the Melbourne urban district.

Our new golf balls carry both the SLP and the Wood Tech logo and we have 96 dozen of them to lose. They are damn good balls. Stu Coops actually played 18 holes with the one ball so if that is the case we might find we have enough balls to keep us going for the next 5-10 years.

Special Thanks to Dale Robinson who is the longest serving sponsor for the Sunday Leave Pass Social Club. Dale runs a printing business and is offering a high quality printing service. He will gladly do a good deal for any Sunday Leave Pass members wanting to order business cards, fliers or any other printed material. To find out more information about what he can do for you he can be contacted on 0438147788.

Remember that any printing job ordered through *DNR print* via the social club, Dale will donate 5% of the proceeds directly back to social club which offers us the opportunity to provide better prizes for everyone and it is good to keep your business opportunities within the network if it is possible. Wood Tech, my previous company Hudson Bond and even the Super-coach (believe it or not) have actually used Dale's business and everyone that had done so speaks very highly of the service and work that he produces.

Evergreen Winery Tours

Yarra Ranges Wine Regions

Sponsored by

For those who were not aware of the "hole in one prize", any player who scores a hole in one or an Albatross during a Sunday Leave Pass event will win a complimentary Chauffer Driven Winery Tour for 2x people through the Yarra Valley, courtesy of Evergreen Winery Tours. So start aiming at the hole we want to give it away this year there was a few close calls over the years but we are still yet to achieve the perfect shot despite more than 12000 attempts since 2004.

(In 1999, *Golf Digest* reported, "One insurance company puts a PGA Tour pro's chances at 1 in 3,756 and an amateur's at 1 in 12,750.")
The *Golf Digest* study even breaking the odds down by quality of play:

- Professional Tour player making an ace: 3,000 to 1
- Low-handicapper making an ace: 5,000 to 1
- Average player making an ace: 12,000 to 1

Based on this information we are due any time so make sure you turn up to play as it may just be you that claims the ultimate prize.
